“ No words can explain the journey I've been on, moving from Utica, not Attica as some weiss-asss claimed, moved to Tucson, obtained a job I was proud of and then Phoenix to my home, Los Angeles. Thank you for your sacrifice sir, I am learning every moment of every day, and will continue to do so. Please know I will do my best to make you proud should you be watching from heaven. I guess they 'broke the mold'(device, clinical laboratory use)....because I am not Dziezynski dna...im a resillient ,misspelling honest single Warrior. You have kept me safe and i will make you proud, as a ballplayer. Marines' sons are too tough to give up .and stubborn as a mule ..rest im peace sir, I got this, but will always need someone to love me. I don't have anyone right now. i will keep praying and ..."put GOD FIRST", AS MR. DENZEL WASHINGTON said.

She lied to sisi before she passed. Her husband #6 is stalking me in LA and she tells everyone in not sober. Don't believe the sky is blue if she says it....liar who had access to my real info on family...she collected 998.00 month since 2006 to 2014 when AZ Attorney General stopped child support.

“ This poor man has no one in the whole area who can say anything good about him. I'm appalled at you that a United States Marine has no name or identifying factors. He died in Vietnam and has been unidentified and his picture posted on Eannace for years now...He is a United States Marine and a hero. Robert Edward Dziezynski Los Angeles, CA, where I'm suffering from my own illness that will eventually take my life, but I do not speak to anyone from Utica anymore. Dawn is nothing to me only a name in Chandler, who sets.up parties to make Utica like her... Don't!
