

Mr. Albert C. Grimaldi Jr.

April 2, 1935 - June 3, 2020

NORTH UTICA - Mr. Albert C. Grimaldi of North Utica passed away on June 3, 2020 with his loving family by his side. He was 85.

Born on April 2, 1935 and raised in Utica, Al was the son of Albert and Mabel (Olite) Grimaldi. He was educated locally and graduated from Thomas R. Proctor High School in 1953. He had many friends in school, and it was there he met and fell in love with his childhood sweetheart, the late Diane "Dixie" Martelli. Al and Dixie were married in 1955, a loving marriage of 52 years until Dixie's passing in August of 2007.

Al was a route salesman for Hameline Dairies from 1956-1969, a job he enjoyed and through which he made many lifelong friends. In 1969, he was appointed a Road Test License Examiner with the New York State Department of Motor Vehicles. Working his way up to become the Principal Examiner, Al's philosophy was to help as many people as he could, and because of this attitude he was remembered favorably by many. He retired in 1996 after 27 years. His last job was helping out his son-in-law, Joe, and his daughter, Lori, at Desserts Beyond the Ordinary on Bank Place in Utica.

His greatest pleasure in life was his wife and three wonderful children, eight grandchildren, and four great grandchildren. As many of you may know, he wore his Dallas Cowboys hat almost everywhere he went, and he absolutely loved the comments he received, good and bad, just about every time he wore it!

Al is survived by his son and daughter-in-law, Al "Aldo" and Carolyn Grimaldi of Johns Creek, GA, daughters, Diana "Dee Dee" Grimaldi of Tampa, FL, and Lori and Joseph Leone of Utica. He leaves grandchildren Niki Stoller and her husband Mike of Corona Del Mar, CA, Ali Wright of Cumming, GA, Roman Grimaldi, and Marcus Grimaldi of Johns Creek, GA, Jeffery Heriot and his wife, Janet, of Slidell, LA, Courtney Heriot of Tampa, FL, and Joseph Leone and Daniele Leone of Utica. Al is also survived by great-granddaughters Baylor, and Parker Wright, Presley Stoller, and great-grandson, Meyer Stoller. He also leaves behind a brother and sister-in-law, Vincent and Esther Grimaldi of New Hartford, a sister-in-law and brother-in-law, Patty and Joseph Caramato of Tampa, FL, and many nieces, nephews, and cousins.

Al was predeceased by his loving wife, Dixie, his parents, Albert and Mabel Grimaldi, in-laws, Raymond and Theresa Martelli, sister, Connie Mannella and her husband, Peter

Mannella, and sister-in-law, Joan Critelli.

The family would also like to recognize some of the many friends Al leaves behind: Pete and Delores Giordano, Ricky Caruso, Philly Gulla, Joe and Cathy Sparks, Joe Lapaglia, Pasquale Ianno, Al Altieri, Steve Flint, Greg and Christy Marotz (and all the Caffè Caruso regulars), and his “southern friend” Bill Cook.

Special thanks also go out to private caregivers Lori Lane and Bonnie Ferrone for the kind and compassionate home care they provided during Al’s final days. Notably touching was Lori’s gentle, caring manner during Al’s final moments, surrounded by his family.

The family would like to apologize in advance to Al’s many friends who will be unable to pay final respects to him because of the current COVID-19 restrictions. The time he shared with you through the years was something he treasured.

The family will honor Al’s life privately and funeral services will be held with immediate family only. Donations may be made in Al’s name to the Prostate Cancer Research Institute at pcri.org, or the Ovarian Cancer Research Alliance at ocrahope.org. Interment will take place in Calvary Cemetery.

Please take a moment to connect with Al’s family through the “Memories” section of his obituary on our website.

Our prayers continue to go out to all as a sign of our community support.

Comments

“ Al was not only a kind man he was a man of great integrity. He watched over his mother in law after Dixie passed and stopped by daily to see to her well being and comfort. He did this not only because he had promised his wife he would do so but also because he was a caring and compassionate individual. His family never doubted his dedication and love because he demonstrated his commitment to them in all that he did. Al never passed up an opportunity to tell you about his children's and grandchildren's accomplishments and to let you know how proud he was of each and everyone of them. He carried Dixie in his heart in everything he did. Al was a practitioner in the art of love. He was old school in all the best ways. Al showed an interest in everyone he met. He always had a smile on his face and a word of encouragement. I was so pleased to have become reacquainted with Al and my cousin Dixie during the years when my husband and I would stop at Desserts Beyond The Ordinary for our morning coffee and a chat. As often happens in extended families when life gets busy and you go your separate ways I had not seen Dixie or Al except at funeral and the like in several years. My husband Jay who passed in February and Al hit it off in that special way some people do from the first time they met. Al will be missed by many. My condolences to his family.

“ To Al's family - our family (Uncle John & Aunt Vic Spaziani's family) is truly sorry for your loss. We remember Al, as kids and adults, as being a witty and very kind cousin who always showed so much respect to all. He never failed to visit our grandparents, which they loved, and informed them of family events. In later years whenever we ran into him we would catch up on family issues or worldly events. Meeting him at Top of the Morning or Marlogg was always a pleasure! He will be remembered and missed by many - RIP!

“ June 8, 2020

With Al's passing I recall his love and passion for youth sports. From the gymnasium at General Herkimer School to the North Utica Pony League baseball field Al was there for his players. He taught sportsmanship in competition bringing out the very best in his players – win or lose...! The New York Yankees missed and opportunity of a lifetime not recruiting Al to manage. No one would ever have heard of Joe Torrey OR Derek Jeter if they knew how good Al was as coach with his son Aldo on shortstop...! I can't say good-by without first recognizing what you meant and the grace in which you did it....Rest in Peace.

“ Al was truly a wonderful man. Always with a smile and never had a bad word to say. He hired me and was my supervisor at DMV, for which I will be forever grateful. He was more then a great supervisor to me, he was a friend. All that had worked for him at DMV thought the world of him, he was that type of person. Rest in peace my friend, heavens gain is our loss.

“ Often we do not notice the beauty and kindness of the people in our lives until they are gone. As the saying goes “it’s not what you take with you that counts, it’s what you leave behind”. At his best Al was a kind, generous, humorous, friendly man who has left the legacy of a beautiful and loving family and a legion of friends. Heartfelt condolences to the Grimaldi family. “ Many memories of your Dad/Mr. Grimaldi. When I took my drivers test, I waited anxiously for results. Friends said small envelope you pass...big envelope you fail. I got the big one! Disappointed I opened it and my test said -5 points for not parking close enough to curb. 95% ??
I walked down the street and took it to your Dad and he said somebody made a mistake. Next day he stops by our home and handed me my license... as a teenager it was the best day ever!!! Enjoyed seeing him at the pastry shop not long ago and having a chance to catch up.
Love to you Aldo,Dee Dee & Lori and your families.

“ I am so devastated the world has lost a genuinely amazing man. I have gone to Deserts Beyond the Ordinary for the last 13 years and the best part of it would be seeing him when I came through the door. Always a big smile on his face, we would hug and chat(if it was football season it would be about that past Sunday as I am a Bill's fan therefore I hate Dallas, but we would always joke with each other about our dislike for the other team). At the time I worked very close to the restaurant and every month he would bring a box of mini cannolis to our office. He was just a loving and kind person and I am so happy I got to know him. We will be so missed by I'm sure so many! My prayers go out to Lori and Joe and the whole Grimaldi family. Xoxo

“ To the Grimaldi Families,

Gentleman, respectful, kind, good, golden personality, handsome and a delight to be in his company. To have known Al was truly a gift from heaven. So happy to have crossed paths with him so long ago. Being so long ago, to see his obituary, only brought back these fond memories that have stayed with me over the years and gifted me even more!

Heaven is rejoicing at his arrival!!!
