“ My sincere condolences to Nancy, John and your family. Life is a journey of sweetness and sorrow, of yesterdays memories and hopes for tomorrow, of pathways we choose and detours we face. With patience and humor, courage and grace, of joys that we've shared and people we've met who have touched us in ways we will never forget. Although no words of sympathy can ease the loss you bear, still may you find some comfort knowing others truly care. My thoughts & prayers are with you. Deb Walker - Claremont NH
