“ *My grandmother was a wonderful woman who I loved very much. I wish I could have spent much more time with her. She was very special and very funny with hundreds of stories, that I never got tired of listening to. I will miss her for the rest of my life.##imported-begin##Marc Talerico##imported-end##*

“ *Rose Marie & Bonita,
We are sorry to learn of Aunt Agie's passing, the world has definately lost a great person. I know in recent years we have not seen each other much but I have very fond memories of our younger days and those Sunday's we came to visit on Blandina St. Aunt Agie was always my favorite Aunt and that's the truth.
