“ I am very sad to hear of Alex's passing. We went to Kemble School together before i moved away and i considered him a good friend. I remember him bringing me home for lunch and meeting his family, at the Olbiston apts, maybe? I think his dad was the super there. I also remember him as the fastest runner in the school...he could fly! I certainly never forgot him, wish we had reconnected over the years. Rest easy... Mark Bisnette

“ Alex joined the College in 1996 and arrived in 1997. What initially brought us together was our love of noon-time basketball. They say that you can learn a lot about a person by playing ball with them and in my case, I learned that Alex was a man who shared the ball and shared his heart, a man who did all of the little things to make his team better and all of the little things to make the campus better, a man who stood strong in the paint and helped scores of colleagues and students learn to stand strong as well, a man who made everyone smile when he dashed on to the court, and a man who left us all a little low when he had to dash out too soon. Alas, Alex has dashed out too soon, but his high fives, hugs, and heart-warming words and smiles touched me and many others on a regular basis on and off the court. I love you my brother and I will miss you!

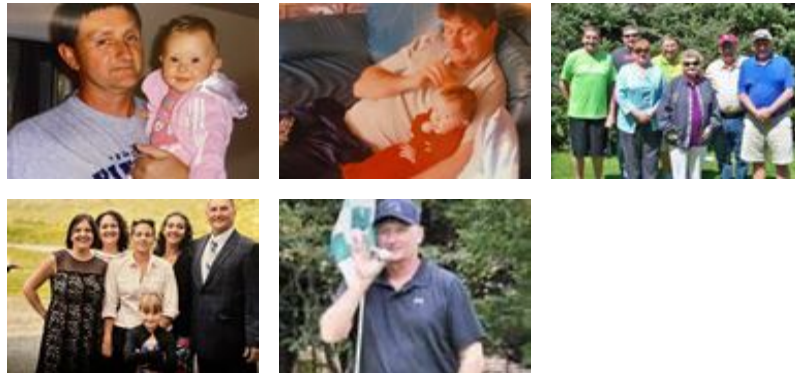

My Condolences,

*I was so saddened to hear of this loss. I worked at Hamilton College for 13 years. During that time I cleaned the physical plant for 10 years. It was always a pleasure to chat with Alex. He had a genuine love of people and truly cared about everyone he worked with. I will forever remember his welcoming smile and kind heart. My thoughts and prayers are with his loved ones.*
