“ I am so very sorry to hear of Angelo's passing. However, Robin and he were such a team, that it seems fitting to have her join her so soon. Angelo and I had great discussions and he took such great care of my cousin Robin. Love to the family.

“ SR,

Our friendship goes back over five decades. The “tracks” were our shortcut route to each other’s house. We had pickup baseball games on the Pony League field that were quite entertaining. The Consortium Program we were in gave us summers at Utica College and Hamilton College where the Three Amigos (you, Vic and me) had a great time.

Graduation came and we went our separate ways, getting married, raising a family but through social media we were able to reconnect our friendship. Terry and I enjoyed going to concerts with you and Robin as well as having a great time at our bi-monthly dinners with “The Gang” (Kathy, Fran, Nancy & Art).

Then there are the Yankees. How many times did we criticize their moves and wonder how the three stooges (Hal, Brian & Aaron) will screw up their season and a chance to win another World Series. My one regret is that we never got the chance to take that trip to Cooperstown and enjoy the Baseball Hall of Fame.

*I am honored to refer to you as “my brother from another mother”.
Rest in Peace.*

“ We remember having many fun get-togethers with Robin and Angelo at our home in Holtwood, PA in the 1990's. It was always a fun time, except for one time when we took them boating from Perryville, MD to Baltimore. We became grounded in mud and had to spend the night on the boat. Angelo would never agree to go boating with us again after that. We would always joke about that incident every time we got together. Angelo will certainly be missed. Also, we have donated to acceptingthegift.org in memory of Angelo. Angelo would always comment on how much he admired our daughter-in-law, Kelly Mantoan, for her work on behalf of the disabled. Kelly is the founder and executive director of Accepting the Gift. Rest in Peace, Angelo. Domenic and Cheryl Mantoan

“ I know Angelo can come off as a gruff, curmudgeon; but we all know he's a sweetheart underneath. While visiting, I woke from a nap, and found Angelo and the rest of my family watching the Notebook - tears streaming down everyone's eyes including Angelo's. It was always sweet to see him with his family, and his dog. Go Yankees!
