“*Mrs. Gaetano was my favorite high school teacher. She was my inspiration to become a teacher. I still have a copy of the recommendation letter she wrote for me. She was a shining example for secretarial students. I'll always remember her.*”

“*We are so saddened to learn of Anna's passing. It seems quite fitting the Lord would call her home on His birthday to again spend it with Al and all her family and friends who have preceded her. We still speak of her often and how even with her scarcity of hearing how she could always hear our daughter Erin talk to her without any troubles. It must have been just the right frequency or something that made them click. Mrs.G. was the most genteel woman we'd see always walking through the old neighborhood. We will keep her and her family in our prayers.*”
