“ Anna was a wonderful person. She made the best black pepper cookies ever! And she was always bringing them to me. Fortunately for me, she gave me the recipe so that I can make them for myself. Every year when I visited my family in Locorotondo, I would always visit Anna's cousin Carmela and we would call her long distance. Good memories all around. My condolences to the whole family.

“ I had the pleasure of reconnecting with Aunt Anna a couple of years ago. I am so fortunate that she had a chance to meet my son, Robby, and I told her many stories about our infant daughter, Charlotte, over the phone. She reminded me so much of my Grandma Nancy and I felt such a special connection with her whenever we would speak over the phone. My sincere condolences to the family. Aunt Anna had a special gift of spreading love and sunshine wherever she went and she will be dearly missed.

With Love,

Gina, Rob, Robby & Charlotte Rigsby

“ Anna was such a wonderful lady to be around. She was a good friend to my late mother - Nelda and will be missed by the Steria family of Carthage, NY. As she use to say at the end of our conversation - "God Bless and love You".
