“ So sorry for your loss. I remember all the great times at Valley View golf course in the late 70’s. I had so much fun caddying for “Woogie” in local tournaments. I was only a teen ager at the time but thought it was so cool riding around in his corvette.

“ Dyan, Frank and Rocco,
I am just reading this and I can't begin to tell you how heartbroken I am. I just saw him the Wednesday before and we had a bunch laughs , as always , in the aisle.

Please know you all in my prayers, and I will miss him so much.....

What can we say. We are devastated about this. Bob and Woogie would be on the phone several times a week and conversations were usually quite lengthy with lots of laughs. Lots of wonderful memories to look back on. Sincerest condolences. ❤️

We grew up together, from Kindergarten through High School and beyond. I counted Woogie among my best friends. His death saddens me to my soul. If I could write a book about the adventures we had as kids, with Rocky, Russ and the rest of the crew, it would rival both Tom Sawyer and Huckleberry Finn. I live with the memories in that bittersweet world between life and death where I wish we could have lived it all together again, but am happy he is at rest with the Lord. God keep you my old friend.

Dyan and family... Words can't make your sorrow any easier to bear. But they show how deeply sorry we are. and sympathize. May it help in some way to know that friends are sharing your sorrow. God bless you and RIP my friend.
