

Antonio Joseph "Boogs" Almond

August 11, 2007

Antonio Joseph "Boogs" Almond, age 3, of Frankfort, went to live with the angels on Saturday, August 11, 2007, when he passed away unexpectedly at his home.

Born February 6, 2004, Antonio was the son of Jacquelyn M. Almond. He also knew the love and guidance of his grandparents who adopted him, 'Me Ma' Bernadette (Tomaino) and 'Poppie' Donald J. Almond III. He attended school at the United Cerebral Palsy Corsanti Children's Center in Utica. He loved going to school, and especially enjoyed his time on the playground.

Antonio's mother was truly kind and loving in sharing her gift of life, her son, with her mother. Affectionate, loving, and outgoing, Antonio was the love of his 'Me Ma's' life, her world, her angel. His uncle Bernie was his idol. He called him 'Tio' and 'daddy', and he looked to him as being his own father. They spent a lot of time together as a father and son would do. His aunt Victoria, who is his mother's twin sister, was also a mother to him; he would call her mommy and spend much time with her. His 'Titi Lizzy' was his playmate who he would ask to 'fix my toys'. He, his 'sissie' Juliana, and his cousin 'Antony' spent hours together at play. His great-grandmother 'Nana' would get him on and off the bus for school and share lunch with him every day. Antonio was a spirited youngster, fast-moving and energetic. He loved to watch Batman and Spiderman; they were his favorites. He also enjoyed Buzz Lightyear, Woody, and Shrek. He always shared his toys with everyone and would greet them when they entered by running to the door to give them a 'high five'. He also

loved his pets, 'Ma', 'Gucci', 'Spook', 'Baby', and the newborn puppies. Antonio's life was blessed by his additional survivors, his great-grandmothers, Rose Marie (Damiano) Tomaino of Frankfort, and Janet (Almond) Prosser of St. Petersburg, Florida; his uncle, Bernie Almond who was his 'big brother'; and his aunts, Victoria Almond, and Elizabeth Almond and fiancé Donald Switzer. He is also survived by his brother Jordano and sister Gabriella; his cousins Juliana, Anthony, Calejio, and Harmonie; and several great-aunts and great-uncles including Deborah and Lester Phillips, Valerie and Michael McPeters, his godparents Stephen and Roberta Almond, Michael and Mary Almond, Robert Almond and Maria Dion, Pastor Thomas and Jacqueline Almond, and Anita Carrier. He also leaves several family friends who were considered his family: Billie Flagg, Andrea Stillwell, Fred Thur, Nicki McManus, Sharon and Mario LoMedico, Mark Lomedico, Josh Tubia, Kristal Speziale, Justin Vallone, Peter Leone, Chelsea Rosati, Tuly, Joanne Palladino, and so many others who would visit and spend time with Antonio. The family would like to especially thank Paul Sardina of the Frankfort Volunteer Fire Department who ran from his home in a courageous attempt to revive Antonio. We would also like to thank Freddy DeStefano and every one of the EMT's and the staff of the Faxton-St. Luke's Emergency Room for their efforts; Father John Flanagan, as well as Cathy Bohlen, Andrea Mazza, Carol Feducci, Janet Kara, Mr. and Mrs. Howard Britton, and Heidi Worden. Thank you also to Dr. Vashistha Sanjeev who was with Antonio from birth to his passing to the angels. And thank you to all those who we may not have mentioned but were also there for Antonio.

Visitation will be held Wednesday (today) from 5:00-7:00 at the Eannace Funeral Home, Inc., 932 South St., corner of Hammond Ave. Antonio's funeral service will commence on Thursday morning at 8:30 from the funeral home and at 9:30 from Historic Old St. John's Church where his Mass of Christian Burial will be celebrated. Entombment will take place at Calvary Mausoleum at the convenience of the family

Although my leaving causes pain and grief, dry your eyes and remember me, not as I am now, but as I used to be. Because, I will remember you all and look on with a smile. Understand, in your hearts, I've only gone to rest a little while. As long as I have the love of each of you, I can live in the hearts of all of you. “ Our prayers are with you at this difficult time. A baby taken at such careless actions is a thorn in our hearts. Antonio ment so much to so many people~he was loved by so many people i bet he would light up the sky with shinny stars and light breeze on a summers day if all that loved him would love eachother~a little angel with wings of gold up in the sky watching down on his family~i said a prayer for his mommy & his daddy today may u both stay strong and think happy thoughts and beautiful memories that you shared with your son. celebrate his life & not his death..Rocco & I would like to send our deepest sympathy to the whole family and express our sadness for each and every one of you..may god bless you all and may Antonio rest in sweet peace.##imported-begin##Carrie Williams & Rocco DeROLLO##imported-end##

“ We all know that emotions get high in a time of dispare. Just step back look at what is and will honor this little baby boy. We as adults need to stretch out our arms and look up and say "GOD PLEASE HELP BRING US THREW THIS TIME AS WE CAN'T DO THIS ON OUR OWN" Please look to Psalm 23

Psalm of David.

The LORD is my shepherd;I shall not want.He makes me to lie down in green pastures;He leads me beside the still waters. He restores my soul; He leads me in the paths of righteousness For His name's sake. Yea, though I walk through the valley of the shadow of death,I will fear no evil; For You are with me; Your rod and Your staff, they comfort me. You prepare a table before me in the presence of my enemies;

You anoint my head with oil; My cup runs over. Surely goodness and mercy shall follow me All the days of my life;

And I will dwell in the house of the LORD Forever.

I HOPE THIS WILL BRING COMFORT.##imported-begin##Rev.

“ I am here to say that this is about Boogs, my little buddy. This is not about the Heredia's. It is not about the Almond's. It's about Boogs. I was given the privelege of writing his obituary and assisting with his funeral arrangements and I truly cherish this. As for those who find reason to dishonor and disrespect this young boys ceremonies, you are being selfish. Please, think of Antonio. Show him and each other some respect, as this is not the venue for such behavior, the days of the caveman are long over (except in those stupid Geico commercials). Antonio's passing was an accident. NOBODY'S fault. Stop pointing fingers and calling names like this is a schoolyard, act like adults, not children. None of it brings Antonio back. For those who think that fighting and arguing and name calling is the answer, you are classless, clueless and callous. Antonio would not want this. As for the Heredia Family, I didn't exclude you from the obituary...in a way, you excluded yourselves. Face it, you weren't there for Antonio at this time of need. I never knew you, except for Mo and 'Gumby', and to them, I am sorry. That is not a reason to exclude any of the Heredia's, but the fact that I didn't know any of your names, I didn't know any of your relations to Antonio, and none of you stepped up....none came around to assist in Antonio's arrangements for his entombment. Because of this, I could only include you all amongst those listed as 'others who would visit and spent time with Antonio.' So in reality, you were not excluded. I am not trying to upset anyone here, I want you to know that even though you were not individually named, you were thought of. The fact that you showed up and honored him gives you my respect. But for those that thought it was necessary to make comments and attempt to cause conflict, you quickly lost that, and you disgraced Antonio. I want to see his ceremonies be as beautiful as he deserves them to be, and what I don't want to see is for Antonio's ceremonies be anything but peaceful and respectable. I am sure that you all love Antonio. And I am sure you all want his ceremonies to be honorable and memorable without and disgrace. If that is so, then lets all pray together for Antonio. This is a trying time for all. It is natural to point fingers and pass judgement, but it is not our place to judge. We all knew Antonio. We all saw him smiling and laughing.

We need to remember Boogs and the things he did to touch our lives. We all loved Antonio. We need to all think of Boogs and put him first at this time of sorrow. He is our little angel now and he will look over us, without looking down on us. He will give us strength, as he can see how weak we are all acting. He will make us smile, by knowing he is smiling down on us. He will give us courage, as he sees we are having trouble facing this. He will guide us, as we need some direction. He will touch us, as he has done throughout his life. He will be so much to us, but only if we are deserving. So please, be everything to him. He loves us. All his family, Almond's, Heredia's, all his friends, all of the friends of family and anyone else who may read this and feel as if maybe you were excluded but are not. Let us not embarrass, disgrace, or belittle each other. Because if we do, we do it not to each other, but to Boogs. Boogs, we all love you. We miss you so much. We will always think of you. We will always remember you. You are our little angel, our baby, our Boogs.

“ Dear Antonio
God blessed me with the greatest gift of life 3 1/2 years ago, my baby, my angel-YOU! You were, and still are the love of my life. I had the joy of raising you, and sharing your life for a short time, but that short time was the best 3 1/2 years of my life. I have wonderful, and happy memories. Your smile lite up a room, I had butterflies in my stomach every time I saw you and you saw me. Your love was and could fill the room,as it did my heart and soul. You were the first person I saw every morning, and the last person I saw every night before I went to bed. Words alone can not express my love for you, I am empty without you. You were,and still are the love of my life. I see you every where I go, I hear your voice. There is not a minute in the day I am not thinking og you. You are sweet, and innocet, and everyone loves you. It is now my time to share you with God and the angels, and to say goodbye. You are my guardian angle, to watch over me and to protect me. We will be together soon for life. I LOVE YOU, I LOVE YOU UNTILLTHE DAY I DIE, AND WE MET AGAIN. MeMa###imported-begin##'MeMa' Almond###imported-end##

“ *Don't weep at my grave
For I am not there,
I've a date with a butterfly
To dance on the air.
If I'm missed, find a flower,
I'll be there too,
Sniffing it's fragrance
Right next to you.
Don't be sad
When you remember me,
For I'm singing in the sunshine,
Wild and free,
Flirting with the lighting,
Playing tag with the wind,
Chasing the thunder
Time and again,
Soaring with the eagle,
Swimming in the sea,
Enjoying all of nature
While I'm waiting for thee.

God loaned us for awhile
We watched him grow

His eyes they shine like stars
And could light the darkest night

they'd squeeze you oh so tight
We love him and we miss him

“ To The Almond Family:

You are all in my thoughts and prayers at this difficult time.

*When God calls little children
to dwell with Him above.
We mortals sometimes question
the wisdom of His love.
for no heartache compares with
the death of one small child,
who does so much to make our world
seem wonderful and mild.
Perhaps God tires of calling
the aged to His fold.
So He picks a rosebud
before it can grow old.
God knows how much we need them
and so He takes but few,
to make the land of Heaven
more beautiful to view.
Believing this is difficult
still somehow me must try.
The saddest word mankind know
will always be "Goodbye".
So when a child departs
we who are left behind,
must realize God loves children,
Angels are hard to find.##imported-begin##Gigi Sykes##imported-

We're in tears reading all these expressions of sympathy. We are at a loss as to finding the right words at this time.
You had him for such a very short time, but think how empty your lives would've been had he never been here in the first place? He was your greatest joy, and now he has become your greatest sorrow. The love you showered him with, he has taken with him. The love he gave to you, you will always hold in your hearts. We will pray for him, but also for you, for life without him will be difficult. “ We go into this word with great hopes. We ask for understanding of where we are to go. We have the need for guidance. Sometimes We ask "WHY". We beleve we have "HOPE". The only hope is knowing that little Antonio has been lifted up to heaven, at the gate he meets Jesus, they talk. He is now in a perfect place where there is not a world of heartache and pain, diseases or war. Antonio has a message for you." I Love it here, don't cry, I loved the time I had with you, but now I'm needed here more. I am in the arms of God, he is really cool. Don't cry you will see him to some day and we will all be together.##imported-begin##Rev. Thomas & Jacqueline Almond##imported-end##
