

Barbara A. (Thomsen) Foley

February 11, 1955 - December 15, 2008

Mrs. Barbara A. (Thomsen) Foley, age 53, of Utica, passed away on Monday, December 15, 2008 at the Faxton-St. Luke's Healthcare Center with her family by her side.

Born in Brooklyn, NY on February 11, 1955, Barbara was the daughter of the late Francis F. and Minnie (Pagano) Thomsen. She was raised and educated in Utica. On April 3, 1998 she was joined in a blessed union of marriage with Craig W. Foley.

Barbara worked for several years as a nurse's aide at the Katherine Luther Home. She was the matriarch of her family, and they were the mainstay of her life. She assisted loved ones, friends, and anyone who may have been in need of a helping hand or a sympathetic heart. She was an avid bingo player and a parishioner of St. Agnes Church.

Barbara is survived by her husband, Craig; her daughters and their families, Saharah VanValkenburgh and companion Lance DeCarlo, Venus VanValkenburgh and companion Howard Morton, and Naseem and Herbert Roman, all of Utica; her son and daughter-in-law, Tom and Paula VanValkenburgh of Utica; her grandchildren, Nicole, Austin, Lance, Christopher, Joey, Alexandria, Gabby, Lucas, and Dylan; and her step-children, Kristin Foley, and Kimberly LaValley, both of Utica. Survivors also include her sisters and brother-in-law, Mary Thomsen of FL, Dottie and Joseph Adroved of MD, and Regina Marie Thomsen of Utica; her brother, Francis F. Thomsen of Utica; her foster siblings, Katherine D. Luckina,

Geraldine and Chuck Lucenti, Sharon Conwell, and Lydia Snyder; her many nieces, nephews, great-nieces, great-nephews, and cousins. She also leaves her dear and cherished friend, Kitty. She was predeceased by her nephews, Francis Thomsen III, and Joseph A. Adroved, Jr.

The family expresses heartfelt appreciation to Dr. Raouf Kodsy, Dr. Atul Butala and his staff, and the nurses and staff of the Faxton-St. Luke's Healthcare Center, especially Virginia, Lynn, and Alen, for the care and attention rendered to Barbara.

Visitation will be held Friday from 4:00-6:00 at the Eannace Funeral Home, Inc., 932 South St., corner of Hammond Ave. Relatives and friends are respectfully invited to attend Barbara's funeral service and Mass of Christian Burial which will be celebrated on Saturday morning at 10:00 at St. Agnes Church.

“ Hello my beautiful grandmother its been a while since ive talked to you this way. I just wanted to let you know I love you so much!! And miss you so much.. I know you probably already know this and probably are ashamed of me for how it happened but I have a son now. A beautiful baby boy! His name is matteo! I know even tho he didnt come about the way anyone hoped that you are still up there watching over him and if you were here still youd be loving on him like crazy!! I am sorry if I disappoint you grandma! I am trying my best! I love you so much! Please continue watching over me and my family and especially my son!! Thank you and I love you so much! Rest easy young lady!

“ Hi Gma,
Well I got a few things to tell you
Well the biggest thing is your daughter, my mother
Isn't taking care of her self there is only so much me and the family
can do gma she don't listen for anything and even tho we don't want
her to die it looks like she rather miss treat herself and disobey and
not care about herself and it's very very hard for us if you could
send your baby a miracle pop up in a dream or something it would
be great and another thing I'm pregnant gma and this gonna be
baby number two .. remember that boy that used to live next door
from us where tony lived the old man that pasted way well gma I
date and currently married that same boy you met in our living room
his name is Darnell and gma he makes me truly happy even though
I'm mean to him he still stays and deals with all my Shenanigans
and I love him very very much I'm happy with him truly and I hope
your happy too I would never ever wanna disappoint you love you

cause the stuff having to me I don't understand and I just want to
know why me why do I go through this negative stuff I miss you
more than ever I know if you was here I wouldn't be as sad as I am
now you would make it all better you would tell me what I need to
hear you was my whole life my entire world there was nothing in
would've not did for you I love you beautiful rest up I'll see you soon

“ Dear BeAnn, It is so hard to beleive that you are gone! We just talked and laughed on Dec.9,at Faxton Hospital. We go back many,many years. The most times I remenber were laughing and having fun. Your children were so small then! I am so happy and grateful that we got to see each other before you went home to our lord. I know you are at peace and without pain. I can only hope that brings comfort to your family. I also know that you will be truly missed by them. I have such funny and happy memories that I can't help but smile whenever I think of you. Watch over each one of your family and friends. They will know you're there!! Love and great memories, Janet Docko (Robitaille,Perry)##imported-begin##Janet Docko (Perry)##imported-end##

“ We will never forget you though you have left our side for in our hearts and memories your spirit will abide.Whenever we see sunshine we'll smile in the thoughts of you we'll look up toward the heavens beyond the sky of blue. And even when the grayish clouds send down their weeping tears we know that you are watching us to help us face our fears. Whenever we see darkness you'll be our guiding light we'll look up toward the twinkling stars and moonbeam shining bright. Whenever we feel lonely and long for your embrace we'll close our eyes and see a vision of your gentle, smiling face. Whenever it is silent we'll still remember you for you had said a thousand words in just the things you'd do. And when we start to weaken we'll recall your lasting strength and we will feel you lift us up to help us go the length. And then someday we'll join you in the heavens up above when our father calls us home to share his everlasting love Here is the poem i read at you service.###imported-begin##Saharah##imported-end##
