April 2, 1970 - July 5, 2017

UTICA - Mrs. Betsy A. "Nana" (Avery) Linen, age 47, went home to be with the Lord on Wednesday, July 5, 2017 while on vacation with her family in Charleston, South Carolina.

Born in New Hampshire on April 2, 1970, Betsy was the daughter of Basil and Gloria (Severance) Avery. As a young adult, she relocated to central New York and attended Whitesboro High School. In 1986, she began a relationship with Gary B. "Bernie" Linen, and he was everything to her. During their 30-year union, they loved and respected each other and were blessed with 5 children and 10 grand babies. They were inseparable.

Betsy worked in the health care field for 28 years. She was employed at St. Elizabeth Medical Center and was very passionate about her job and the patients she cared for. Betsy was a very outspoken person. She was blessed with a beautiful family who loved her and honored her. Her grandchildren renewed her and always wanted to be with her. She maintained a crystal clear pool and a fantastic garden with a variety of flowers that bloomed each spring. Fishing on Saturdays in summer with Bernie was a must, especially by the river. They would often compete to see who caught the most. Get-togethers were happy times, and she loved to socialize with family and friends. She loved dancing and singing to her music and enjoyed playing Candy Crush. Betsy put her faith in God to help her children to be good parents, be strong, work hard, and be good people.

Betsy is survived by her beloved husband, Bernie; her parents, Basil and

Gloria; her sons and daughter-in-law, Shane Linen, Gary Jr. and Chelsea Linen, and Anthony Linen; and her twin daughters, Brittany, and Breanna Linen; her grandchildren, Malakai, and Dominik; Gary III, and Devin; Anastasia, Amarianna, Aarabella, and Anthony Jr; Avianna, and Ace; her brother, Peter Avery; and her mother-in-law Joyce Adams. She also leaves a host of nieces, nephews, great-nieces, great-nephews, cousins, aunts, uncles, in-laws, her beloved longtime friends, Tammy, and Cherie; and cherished coworkers, Katie, Dawn, and Tracy. She was predeceased by her brother-in-law, John Linen; and her maternal grandparents, Myrtle and William Severance.

The family extends their appreciation to relatives and friends for their support during this difficult and sad time.

Visitation will be held Thursday from 11:00-1:00 at the Friendship Baptist Church, 1004 Albany Street, Utica. Betsy's Home Going Service and Celebration of Life will commence at 1:00 immediately upon conclusion of visitation with Rev. Charles March officiating. Committal services and Interment will follow graveside in Forest Hill Cemetery.

“ *Thinking of you Betsy. The holidays are so hard to deal with when you are gone. We think of you and will never forget you. Please look down and help your husband get through the pain he's been feeling since you were taken from him and also from the kids and grankids. They all miss you and so does everyone that loved you and cared about you. I hope you are resting in peace and I hope that you can help ease the pain and suffering that we all are going through when you left us, if we could change the events that happened we would do anything to have you back, but GOD needed you and we don't understand His reasons but one day we will all find out when we meet up in heaven. We will always think of you and miss you, you were so special to everyone that you met, your smile and laughter will always be in our minds, you will never be forgotten. Love you always and forever. Hugs.*

“ Your smile and laugh was so contagious!! There are so many memories I have hanging out at Uncle Bernie & Betsey's house! I used to love when we would drive up to your house in Deansboro area and Uncle Bernie would have the grill going with all that delicious food nice music!! Aunt Betsey would be playing cards and giving my mom the side eye while cracking jokes!!! LOL!! All kids would be swimming, then later fireworks! I mean I learned how to shoot a shotgun for the first time and everything with Aunt Bettz and Unc Bern...Then everyone would cry to stay overnight and even my mom and everyone would stay overnight up there. Very fun special times for my childhood. I wanna say thank you again for those times. I wish I could be home right now supporting everyone in any way I could. However, I'm content in knowing and I pray my Uncle and all your children understand you will always be that light guiding and protecting them along the way. Uncle Bernie I love you and cuzzos I love you guys and be strong; because she is always with you. In loving memory SIP Aunt Bettz.

“ *no words will do betsy justice. she was so fun to be around and antagonize (when me and britt went out, the things we would do to see or hear her reaction made our night complete). she loved her family very much and was so proud of her kids and grandchildren. her laughter and slick remarks will be greatly missed. she was a great mother, care taker, and a best friend. we will continue to laugh and talk about her often, she was one of a kind but God had a plan.*

“ To Gloria and to Betsy's family, my heartfelt sympathy at the sudden loss of Betsy. She was a loving and caring person who was also a dear friend. Her love for her family was endless. Her caring ways showed each and every day. I have such wonderful memories, of our times together. Our fun at Turning Stone, sharing lunch, and the laughter . I was lucky enough to know her not only as a CNA at St Joe's when my mom was there, but as a dear and loving friend. I still remember a summer day at her home, swimming in the pool with her children. So many fond memories. I know that you all are mourning her loss as am I, hold on to the memories you have of her. I know I will , it is the only way to get through the pain and sorrow you are all feeling. Know that she Loved you all with all her heart. Memories can never be taken away. May she rest in peace, I hope my mom was waiting with opened arms for her .....She was loved, and will be deeply missed <3

I've worked with Betsy since I started at st e's 7 years ago she was always such an amazing person she was truly loved by all her love that she had for her family was unconditional. Im so sorry Gloria a mother should never have to bury a child and know im thinking of you every step of the way. To her family, you were everything to her she loved you all more than she could have ever said. She was always proud of all of you. I always loved my updates and pictures of you all especially the grandbabies. None of this feels real....she will be deeply missed by all. She was our family. Our St. Elizabeth family <3
