“ I'm in such disbelief. I used to be one of Brandons best friends. I hadn't seen or heard from him in almost 20 years. Though I've thought of him often over the years, tonight I just happen to wonder where he may be. I actually searched his name on google, and found his obituary. I'm so saddened and shocked. Brandon was such a bright wonderful guy, I was so happy and proud to have known him and called him friend. I'm so very sorry to his family, especially to his mother Margarite. My prayers are with your family. Krissy###imported-begin###Krissy Terry, formerly Wert###imported-end##
