

Mr. Bryson K. Collins aka "Big B"

February 3, 1965 - September 24, 2019

UTICA - Mr. Bryson K. Collins aka "Big B", age 54, passed away unexpectedly and went home to be with the Lord on Tuesday, September 24, 2019.

Born in Utica on February 3, 1965, Bryson was the son of the late Chester "Chet" LaFrance Jones and Evelyn "Lady E" Bush Stenson. He also knew the love and guidance of his pop's, the Rev. Johnny Stenson who taught him the importance of the virtues of responsibility, respect, and how to be a man. As a legendary D.J., Bryson was blessed with the musical talents he inherited from his mom. Raised and educated locally, he was a graduate of Utica Free Academy and in more recent years attended MVCC. He continued his education because he always wanted to have knowledge at his disposal. A man bestowed with a big heart, "Big B" loved, has been loved, and was a father figure to many. He was a good and protective partner to his love Shimeen Nicole Bell.

Because of his love of music and his bright, original style, Bryson found his vocation as a self-employed D.J. working at nightclubs, weddings, "Sweet16" parties, and any other occasions that would be supercharged by the songs and sounds that "Big B" brought to the celebrations. He could satisfy and rock a crowd! He was iconic, effortless, flawless, and magical in his performances. He was humble of heart and had his act together. He was also a D.J. at Utica Phoenix Radio 95.5/FM where he worked as a technical engineer, sound man, and background and support man but his two time slots were legendary. He was truly passionate and devoted during his 40 years in the profession and he

exited this world on the top of his game. Music was his life, and it brought everything together for him. He loved many genres and was well-versed when he prepared for a “gig”. If you were in attendance, you always got his best because “Big B” healed hearts and brought out the best in others. Social, outgoing, and a “jokester by nature”, his personality was his “calling card”. His aura was amazing, generating good vibes and a charisma that touched so many souls. He was renowned and larger than life.

Bryson was blessed with a mom who taught him the perfect balance of love and compassion, yet she corrected his actions if they were awry, and only a few words or a look served to straighten out the situation. As a loving son, he worked hard to emulate her. She made her son feel secure, and her grandchildren as well. As a single dad, Bryson raised two sons, by his side, and as a parent, he made sure that they showed respect. He supported their decisions, suggested alternative choices when necessary, and gave them approval of their goals which meant the world to his boys. He treasured the day-to-day memories of them, including “hoop on the door with a sock as the ball”, Saturday morning cartoons, and the famous egg melts he made for them, memories that will remain a part of their hearts forever. As a grandpa, he gave his grandbabies his time and his love, showed them fun times and sleepovers, and made great memories for them, filled with affection.

“Big B” loved the majesty of nature and the outdoors and was amazed by the interesting nuggets of knowledge he picked up from programs on the Animal Planet station and the Science Channel. He played basketball at church leagues, Steuben Park, James and Steuben Street, Quinn’s Playground, and Martin Luther King School, “Rock Creek”. Children looked to “Big B” as a big brother, a father, and a friend. He fulfilled that role and picked up the moral responsibility of a paternal role model, and he did it well. Many years ago, he recorded a song entitled, “Get Up and Get a Job!” As a radio station personality, he was able to advertise the website he created with live stream capability so his fans would be able to access his time slot. It was a rewarding accomplishment achieved through his efforts, promotional skills, and

technological talent. After his mom's passing, Bryson embraced a personal spirituality and found solace and support in the Cornerstone Plymouth Church. Through his music and positive mindset, he made family occasions special. Bryson was a lifelong member of St. Paul's Baptist Church. He had a great love for the Lord and believed in the power of prayer. As the patriarch of his family, he carried out his responsibilities with good will and grace.

Bryson was blessed to be the father of six children. His two sons that he raised and the partners they have now chosen, Bryson Vickery and Robin Archer, and Trevor Collins and Vanessa Bray; and Alyssa, Ali, Kwame, and Chris. He also leaves numerous grandchildren, including Trevayah Collins, Khloé Collins, Rehema Archer, and Rarity Vickery; his Pops, the Rev. Johnny Stenson; his siblings and their loves, Leona Pollard, Delores Collins and Willie "Woodrow", Fredrick "Fred" Collins, Pamela "Pam" Collins, Cheryl and Bill Norris, Celeste Collins, Kevin and Daretta Collins, and Ray, and Steve; his partner in life, Shimeen Nicole Bell and her son Jayden; three men that he considered his additional sons, Jamel Davis, Jesus Roman, and Raymond Roman; step-daughter, Marissa Green; a host of nieces including, Shannon, Sabrina, Alicia, Tiffany, Tameka, Linia, Evelyn, Brittany, Kayla, Cherise, Dezerae, Jalisa, Delores, Shakeema, and Tamara; and a host of nephews including, Alex, James, Ian, Dorian, Charles, DaVaughn, Dorell, Fredric, Kristopher, Richard, Mario, and Kevin, Jr.; great-nieces, great-nephews, cousins, aunts, especially Sheila J. Bush Burns, and uncles. "Big B" had many wonderful friends, but it would be remiss if the following were not mentioned: Mike Johnson, Mark McKenzie, Jerome McKinsey, Mark "G" Brooks, Reese Vines, Cassandra Harris-Lockwood, and his co-workers at the Radio Station. He was predeceased by his aunt, Geraldine Davis.

The family wishes to thank the many friends, associates, and the community at large, especially those of the Utica Phoenix/95.5 FM the Heat, for the outpouring of love and support.

Visitation will be held on Wednesday from 4:00 – 6:00 at Cornerstone

Community Church, 500 Plant St., Utica. Big B's Home Going Service and Celebration of Life will commence on Wednesday at 6:00 at the church immediately upon the conclusion of visitation. Interment will take place in New Forest Cemetery at the convenience of the family.

“ How did I not know this? I was just speaking to a mutual friend about the time I got too much of a buzz on and was on my way walking home because Lord knows I had no business driving, and as I staggered, I hear this dance music and the longer I walked, the louder it got until Bryson apparently noticed the shape I was in and stopped the music and called me over. He had a couple of women in the crowd, give me time, attention and even prayer because I told them that I just experienced a great loss in my own life.... and had many other issues going on at the same time so I went out drinking that evening to forget... **BIG MISTAKE!** Long story short, once I sobered up by dancing and enjoying the kindnesses I was shown, I realized that I knew Bryson. We had gone to school together from Miller School to UFA and grew up only a couple of streets apart. I never drank again after that day. I never say, "Rest In Peace" when people pass on from this life. I say, "See you in Heaven one day, Bryson." You play the music and we'll all dance!

“ Sending prayers of comfort and peace to all family, friends and loved ones that have been effected, including myself, by this unfortunate and unexpected passing, as only God knows how. You've put nothing less than smiles on people's faces you've encountered along the way with your gift of music from generation to generation and genuine spirit. You would always tell me you've been spinning records for so long it's funny how my mother was pregnant with me dancing to your music, so it was no surprise I came out dancing. You were and will always unforgettably be an icon in our community. This is undeniably a difficult time felt by Utica right now. You are considered family by many and loved by all. Praying God gives us all strength to get through this one. Peace and blessings

“ WOW still hard to believe this has happened. I remember in 2013/2014 somewhere during that time - I was going to take some time off from DJing due to a death at another DJ event. Wasnt my event but just knowing the situation kind of caused me to want to quit for a while. Beside that I had separated from my now X-wife so I was feeling kind of down. Bryson got at me and said him and a few other DJ's wanted to do a few events and he would like for me to join them. His exact words were "You're too much of a good DJ to quit". So we met at Denny's here in Rome - Me, Bryson, JMC, and DJ Crush. Bryson was always bringing DJ's together and his love for music was extraordinary. Bryson aka "DJ Big B" was Utica and his legacy will always be remembered. I'm glad that we got to have our last event together July 6th, got a chance to talk and we were looking forward to getting together for a few future things. I can go on for days but in closing, RIP my dude - You will be missed. 1 love.

“ *Life is so funny, how someone outta nowhere just comes into your life. For a season. Well, how long is a season? I have no idea. You know when this person is there to mentor you in Love that they had, and show compassion in a love that you have, and helps you rekindle the love that you had years ago. Walking side by side with you there, getting you almost to a point where u would love to be. There at every bekon call, assisting you teaching, explaining, sharing his knowledge to you and in that season having such such such a friendship, and POOF, its gone from the physical world and enters into the Spiritual word, never to be gone, or forgotten .DJ BIG B, MY MUSIC SEDOSHI, GAVE ME THE TOOLS MENTALLY, AND INSPIRATION TO GET BACK INTO WHAT I USED TO DO YEARS AGO, WHICH WAS DJ. He would always say ON Hot lunch Mix. My man DT, AND I DON'T MEAN DETECTIVE. i WILL ALWAYS REMEMBER YOU, AND I JUST WANT TO SAY THANK YOU FOR EVERYTHING. iN CLOSING, THE NIGHT BEFORE Big B's passing he was at my house, for a few hours helping me on the computer, we ate had a beverage or two and he performed on my equipment better than I have even seen him. even when on the radio, We broke bread, laughed talked, It was like in Jesus's time, The LAST SUPPER. LAST TIME I SAW MY FRIEND, AND MENTOR. R I P+++++++ My BROTHER FOR YOU SET UTICA AS FAR AS MUSIC, ON THE MAP.*

“ *Bryson loved music! He had a way of knowing which songs to play at the right time. He would mix songs from different genres, that you wouldn't think to play together. He certainly had a gift. He was a artist. I loved dancing whenever he deejayed. I knew I would be on the dance floor all night! He was also a caring person and a great listener. He will definitely be missed.*
