“ Dear Michael

*I don't know if you remember me but we used to hang around together when we were young. I remeber your mon very well she was kind to me when my mon and dad split up and I will never forget that. we used to go to your house and she always made us eat something. I am currently living in Florida and I just wanted to say how very sorry I am. My mon passed away eight years ago and I miss her very much but my Mon as well as your Mom will always be alive in our hearts.*

*God Bless.*
