“ *I was deeply saddened to hear about the passing of Carmie (St. Carmie) . She was truly an exceptional woman whose warmth, wisdom, and kindness touched so many lives. As a teacher, she inspired countless students with her dedication and compassion, nurturing minds and hearts in ways that only someone as special as she could. She was a teacher’s aide when I was in kindergarten – then when I became a teacher at BOCES she became my wonderful teacher’s aide to me. She was just so outstanding. Beyond the classroom, her friendship was a gift to all who were fortunate enough to know her. Her deep spirituality and unwavering faith were a constant source of strength and guidance to everyone around her.*

*I will always remember Carmie for her grace, her ability to make others feel seen and heard, and the way she illuminated every space with her presence. Her legacy will live on in the lives she touched and the lessons she imparted.*

*Please know that my thoughts and prayers are with you all during this incredibly difficult time. May you find comfort in the beautiful memories you shared with her, and may her spirit continue to guide and bless you. With Much Love – Dave Barocsi - May she rest in Peace - I know for a fact that when she got to the gates of Heaven - St. Peter wanted the famous recipe of her famous pickles she would make.*
