“ Dear Robert, Julianne and family,
Charlotte and I were a team. She was the nurse and I was the doctor. She kept busy scheduling patients, greeting them with her smile, consoling them and keeping the office running smoothly. Everyone loved Charlotte. She was kind and she was professional. My wife, Mary Lyons, and I loved her. It was an honor and privilege to have worked with her.
We would be honored to be able to attend any service you have for her. Perhaps Eannace could let us know.
Our condolences.
