“ Aunt Clara cared about everyone in the family. She had a good, clear understanding and a great advisor.

“ What a wonderful woman your Mother was! I have so many fond memories of our time at the Y. She was a mentor and friend to me. Sharing and teaching me many life lessons. Ever since I moved away, we always send Christmas cards with notes of updates on the past year. And of course, birthday cards every year. I just got her a card this year, so sad that I won't be sending it. On my birthday I will always think of her as it is January 11th. Our love, prayers, and sympathy to you and your family of which she was so proud of. Will truly be missing my dear lovely friend.

“ So very sorry to learn of Claire's passing. I was just in Texas with my sister and we were reading the Christmas card from your mom. We have many wonderful memories from the YW. We were like a family there and your mom and my sister never lost touch. May she rest in peace.

Thank you Candace. Your words are of great comfort. My mom loved your mom, and certainly had fond memories of her time at the YW as well. God bless. Dina Weimer - Claire's daughter.

*“ Claire was a dear friend of my mom, Celeste Myslewicz. She drove my mom everywhere and got her involved with volunteering opportunities. And she would never let my mom give her anything in return! She was a very special friend and person and my heart goes out to her family.
