“ Danny, you have been a loyal and dedicated employee of Par since October of 1988. You always did whatever was asked of you and were always ready to help anyone whenever needed. It has been an honor and privilege to be your manager for all of those years, but much more importantly you were a good friend. Your family meant so much to you and you have 2 very special sons that you can be very proud of. I know you are in a much better place now with no pain and suffering. May God bless you and through His grace it is not goodbye, but see you later.###imported-begin###Jim Murphy###imported-end###

“ We struggle at times like this, to find the right words that we hope might calm the moment. But we live our lives with those we care about, in a way that cannot be described by words alone. We're born, we grow, we work, we laugh, we cry, we have highs, and lows, and eventually we reach a point, where all we need to do is done. And then we move on. The sorrow that we feel when those we care about pass on, can be measured only, by the way we shared when they were with us. Rest in peace Dan, you will be greatly missed.##imported-begin##Robert & Diane Mooney##imported-end##
