“ Dear Pam,

I am SO sorry to learn about the passing of Dave; a guy full of love, care, concern and piss 'n vinegar.

When I think of Dave, his jonesin' and kiddin' around come immediately to my mind. But, what is even more clear, is the vision of the profound love he shared with you and Shelbey.

I send you and Shelbey my heartfelt sorrow during this challenging time and trust that your own resilience will provide you with the necessary strength and guidance in the days, weeks, months and years to come.

With love.

“ Pam, Shelbey & family, our deepest condolences to you and your family. We had the pleasure of meeting Dave for the first time when our daughters decided to take the 4-wheeler out on the road here and drive it down to our house instead of following the rules of riding on the trail. Needless to say Shelbey mis-judged the turn into the driveway here and landed the 4-wheeler into the ditch. Dave came down to save the day for his little girl. I am sure she didn't think that on that day. Our daughter and I laugh about the event of that day these days as Dave was so free spirited over the event that had happened. He will truly be missed and his free spirited memory will live forever.
