*Donna,Dorothy and Marie, So sorry for your loss! Delores was a very special person,whom I prayed for and thought about a lot,throughout the years! I have many memories of her and our talks! She was a very caring woman! I asked how she was doing,every time I learned she was in the hospital or nursing home! I wanted to go see her,many times,these past months,but I did not get the chance to do so! I was not able to attend her services,due to medical reasons and needing to be out of town! She will be sadly missed and never forgotten!!!
Sincerely, Tricia*
