This picture was taken at a Mohawk Valley Stars (hockey) banquet in December 1982. Diane is standing with her friend Dan Barber! She always loved this picture, which is why I felt I should share it! Her makeup and hair were always on point and her smile and laugh would fill a room.

This is another hockey party. Diane was a very loyal, giving friend who always stood by her friends and family. She and her family helped me in so many ways and for that I am eternally grateful!
