“ Wow, I didn't even know, I know I haven't seen Uncle Donny in many years, but I really have alot of memories of him. Camping with my dad and me he alays seemed to be the one to make us smile. Such a loss, I know he was one of the "favorite uncles" . My thoughts and prayers are with the family, I'm not even sure how many of you remember me, I know I remember some of you, but it has been so long.
But please know I always think about the Ward family, I really wonder how we could have such a large family and all be so apart from one another.
Love to all,
Char###imported-begin###Charleen (Ward) Henshaw###imported-end##
