“ We are all living on borrowed time but I wish heaven had a phone so I can request to borrow some more time with you. You were my favorite uncle for the simple fact that your personality is the one I most identified with. I'm truly heartbroken that we will no longer be able to make any new memories but I'm happy with all the memories we have already made and with those you will never be forgotten and forever missed!

Tiffany Amaro - April 10, 2016 at 07:56 AM

“ *The smile on my uncles face will forever be imprinted in my vision of his memory. His smile will forever warm my heart and laugh long live in my ears. The coolest well spoken man I've ever met. Family holidays memories of you and tio ricky cracking jokes and throwing them back. Honored to have called you my uncle. Sad I have to say goodbye but thankful that you and Tio papo shall meet again. That one sweet day has come way too soon. My uncles, my protectors, my angels.*

*I love you,
