“ *To Mike and his family,
Mike I met your dad when I was 17 years old and he was my boss
at General Millwork Corp. I only worked for him about 6 months but,
he taught me how to build and finish windows. He was very fair as a
boss and left quite an impression on me when I joined the Navy and
shipped off to Vietnam for a year. I still remember him shouting to
me Tony are you done with all the windows I gave you to build..
Taught me to work hard and fast,, I could tell he was a proud man.
Rest in Peace Ed
Your former worker
