“ You were such a great friend/sister...we had so many happy times together and I will cherish the memories. I'm glad I got to take you out of the nursing home for the day last year and take you to the casino!! I know being in the nursing home was lonely,depressing and painful for you. You were a great person and did so much for so many people, especially family members..I'm sorry you got so little in return these last few years. “ *Elaine was my best friend. She was someone who you could always count on no matter what. She had a big heart, always doing for everyone, especially her family who she always put first. She was known for making everyone one of her beautiful cross-stitches, and I will cherish the one she made me. She could cook and bake better than anyone I knew. My daughters just adored her, and called her Auntie Elaine. I have so many wonderful memories of all the things we did together. I will miss her, and think of her every day. "RIGHT HERE AUGGIE!!!!*

“ *My Beautiful Aunt Elaine,
You have always been one of the best people in my life. I am thankful that you were my Mom's best friend, my First Babysitter & Other Mother. Although I will miss you every day for the rest of my life, I take comfort that you are at peace. I take comfort that you are free of pain and disappointment. I take comfort that you are surrounded by love.*

You are forever in my heart.

I love you a bushel and a peck,

Your Denise
