“ My condolences to the family. It hurts my heart to hear of Elaine's passing. I thought the world of Elaine. I will never forget her kindness and generosity. She cared about the people around her so much. If I was struggling in any way Elaine would show up with a sweet little gift or some food or call or text just to see if she could help.

She loved her family and friends here in South Dakota but her heart was always in NY. She often talked about growing up with her family and friends there. It's comforting to me to know she passed where she was the happiest.

Elaine was an amazing, beautiful soul. It was a true blessing to have Elaine in my life.

Goodbye my friend.

My thoughts and prayers are with you.
