“ I would like to convey my sypmathies to Eleanor's family. I just saw Eleanor a few weeks ago visiting her for OFA and was impressed with how she maintained her humor and welcoming spirit even in the face of sickness. She was a joy at Deerfield and I know her friends there will miss her and I will miss seeing her during my monthly visits. God bless.

“ Aunt El,

Your spirit will always be with us. We are very saddend by your departure. We know that they had to put an addition on heaven to hold you, all your dear siblings and especially your parents. we will always remember your crocheting ability(especially your slippers and afghans) Your cooking will never be forgotten. Who could forget Christmas eve with all the Piacentinos. They were what families were all about. You were the angel of the family keeping everyone together through happiness, death, and separations. We will never forget you. Many tears are being shed for you in our family. Although we can't make the rites of passing, we have decided to give a donation to the American Cancer society in your name. may you rest with the angels.
