“ *Aunt Betty came into my life when I was 11 years old. She was not only my aunt but also a friend and confidant to me through the years. She helped teach me to drive, taught me to crochet, and always had a friendly smile to greet me. She was always on my side and always had encouraging words and loving advice. I always knew she was there if I needed her. She was kind to my children and my grandchildren. Even though I haven't seen her since she moved to Arizona, we still talked on the phone. I could imagine her smile when she heard my voice. She was always happy to hear from me. I loved her very much and will miss her. Rest in peace, Aunt Betty and hug Uncle Dick for me.*
Love, Roseann
