“ Dear Janice and Fred...during this most difficult time, I wanted to express my sympathy. I didn't personally know your Mother, but it is plain to see that she touched so many lives and will be missed by so many. Hold close those special memories only you have and keep your family together to keep sharing those memories. Don and I are sending peace, love and hugs to you both. God speed Elizabeth Greer, God speed.

“ Sharon, Neil, Fred, and Family,
As I grow older, I find it most difficult to watch those that took care of us through all our years, themselves grow old, and eventually leave us.
But do they really leave us? Our faith teaches us that, just as we are born into this world, someday we shall also move on to eternal life. Each and everyone of us.
I was saddened to learn of your mom's passing. She lived a good long life, but I think that the longer we have them, the harder it is to say goodbye for now.
Your family, and mine as well, has been very fortunate that our parents were able to live out there years and watch us grow into who we are today.
Your Mom is a beautiful woman. Each of you are a testament to everything that a parent could ever ask for in a child. She leaves you, comforted and proud, content, and blessed, as she joins your dad, and looks forward to the day we will see them again.
It is times like this, that living away from home is most difficult for me. Your family has always been there for my family. I wish I could be there today with you, to help you celebrate your mom's life.
Please know that you are all in my thoughts and prayers.
God Bless, Jeff
