

Mr. Eugene "Gene" F. Militello

December 6, 1943 - December 8, 2020

MARCY - Mr. Eugene "Gene" F. Militello, of Marcy, passed away at the age of 77 on December 8, 2020, at MVHS at St. Luke's Healthcare after a courageous battle.

Born in Rome, NY on December 6, 1943, Eugene was the son of the late Anthony and Rose (Felice) Militello. He was educated in Rome and was a graduate of Rome Free Academy. After graduation, Eugene enlisted in the United States Navy where he proudly served 20 years. He completed a world tour at sea on the USS Long Beach where he served as a Radioman and enjoyed telling stories about the countries he visited. He also served and completed a Southern Hemisphere tour on the USS Farragut. For ten years, he worked as a Navy recruiter in Rome, NY where he enlisted countless individuals into service. His service to his country was a special honor and one in which he took great pride.

He earned his degree from Mohawk Valley Community College in 1984 and worked as a Systems Engineer in computers until retirement in 2005. Eugene was also a beloved adjunct professor at MVCC for many years. He taught electrical code and wiring for years, and robotics for a short period of time. His devotion to his job and teaching profession precedes him.

For several years, Gene was co-owner, and chef of Milo's Banquet Hall of Utica and was well known for his superior cooking skills. Everyone who tried Gene's sauce and meatballs raved about how delicious there were. He was an avid baker and made the traditional Italian Christmas cookie trays every

holiday season. Gene enjoyed this very much and loved sharing his cookie trays with many people. He loved cooking for his family, especially sauce on Sundays and the annual Thanksgiving at "Uncle Gene's." Cooking and sharing his meals brought him much joy and people always looked forward to his wonderful meals and treats.

Gene was very close with his two brothers and enjoyed spending time with them, especially their weekly lunch gatherings. He cherished the relationship he had with his brothers and how close they were.

He was involved in numerous activities, clubs, and organizations. Gene was an avid golfer and ran multiple golf leagues. He enjoyed playing golf and organizing outings, always working tirelessly to ensure every event was a success.

He was Commander of the Whitestown Veterans of WWII Club. He took great pride in the Vets Club organization and worked tirelessly to ensure the establishment was always taken care of properly. He devoted many hours cooking, cleaning, creating lasting friendships, and participating in all the club's various activities. "Geno" was loved by all who met him.

Eugene shared a 31 year blessed union with his wife, Jerrine Militello who passed in 2005. Gene was a doting and loving husband who took special care of the love of his life for many years during her illness.

Throughout their marriage, he provided constant support, strength, and selfless acts of generosity and kindness; he was always by Jerrine's side. They shared a wonderful marriage and partnership, and are now joined together for eternity.

Gene was an amazing father and grandfather. He was present at every concert, sporting event, graduation, and ceremony; he was a constant support and tower of strength, and the best friend any daughter could ever hope for. He was the most thoughtful and kind father and was always there for his children. He was the most generous and devoted father one could ever be blessed with. Gene loved being a "Grampa", and was so proud of his granddaughters. They were the apple of his eye, and he simply adored them.

He especially loved teaching his granddaughters how to make meatballs, cookies, and cannolis, earning him the name "Papa Cookie!"

He loved spending time with his family and was always willing to lend a hand to anyone in need. He was a hard worker and a cherished friend who will be missed dearly. Gene had a loving spirit and his smile and laughter lit up every room. He was a great man whose memory will live on forever.

Eugene is survived by his loving daughters, Gina Leech and son-in-law William "Cliff" Leech; Andrea Militello Graves and son-in-law Kyle Graves; adopted children from a previous marriage, William "Bucky" Devaney, Tabitha Dunn; granddaughters, Remy and Emerson Graves; and cherished siblings, brothers, Carl Militello, and William Militello; and sister-in-law, Sara Militello; nieces, nephews and their families, Gabrielle and Scott Yerdon, Michelle and Henry Bick, Michael and Jenn Militello, Carl and Angela Militello, Debbie and Rick Semeraro, Laurie and Peter Laterza, Christina D'Ambro, Anthony and Tonya Militello, Rosemarie and Kevin Moore, Louis and Tammy Henry, Jody Henry, and Karen and Dave Hartnett; and many dear friends who are too numerous to list. He also had a special relationship with his friend Kris. He was predeceased by his sister and brother-in-law, Rosalie and Louis Henry. The family is grateful to the doctors and nurses at MVHS at St. Luke's Healthcare/ICU for the care and compassion rendered to Eugene.

Due to the COVID-19 crisis and being aware of everyone's safety, there will be no public visitation. “ To the entire Militello family:

*When things go wrong, as they sometimes will,
when the road you're trudging seems all uphill,
when the funds are low and the debts are high,
and you want to smile but you have to sigh,
when care is pressing you down a bit - rest if you must, but don't you quit.*

*Life is queer with its twists and turns.
As everyone of us sometimes learns.
And many a fellow turns about when he might have won had he stuck it out.
Don't give up though the pace seems slow - you may succeed with another blow.*

Often the goal is nearer than it seems to a faint and faltering man;

*Often the struggler has given up when he might have captured the victor's cup;
and he learned too late when the night came down,
how close he was to the golden crown.*

*Success is failure turned inside out - the silver tint of the clouds of doubt,
and when you never can tell how close you are,
it may be near when it seems afar;
so stick to the fight when you're hardest hit - it's when things seem worst, you must not quit.*

“ I Loved that your dad always made a point to come and see us when we were visiting with Andy, Kyle, Remy and Emerson. He always had his amazing food and cookies to share with us. His smile and lightness of spirit and generous heart is such an inspiration. I Love how he loved his daughters and his grandchildren so much. I feel blessed to have known him and to continue to experience his Spirit through Andrea and Gina. Big Love to you all. Such a treasure.

“ Our condolences to the family of Gene. I am so saddened by this loss. He enlisted me and 3 of my brother-in-laws. I was lucky enough to return to Rome and recruit with Gene. He taught me so much about enjoying life and family. I retired after my 20 years and of course Gene attended my welcome home party. We played golf and bowled together, I will miss his friendship. I will never forget that winning smile of his. RIP Gene!!
