“ My mom's pride and joy was my son J.T; . She was so very proud of all his endeavors in life. She loved his music that he wrote and preformed. She would have me bring her to all his gigs and pull her wheelchair right in front by the speakers. She would head bang with all the kids to his music. She was known as the rocker nonnie. She was loved by all and will be greatly missed.We love you Nonnie . There never will be another you. I will be eternally grateful for the love and support you gave me in my life, and the helpful hand you gave in helping me raise my son, He meant so much to you and he was just as much your son as mine. You filled a place in his heart that will forever be yours. With out you he would not of grown to be the man that he is. He will always make you proud because he could never let his Nonnie down. We loved you then,we love you now, and we will love and miss you forever. All our love and Prayes
Charlene and J.T
