January 14, 1965 - December 6, 2014

Mr. Francisco "Frankie" Rivera, age 49, passed away on Saturday, December 6, 2014 at The Abraham House with his loving family by his side.

Born in Brooklyn, NY on January 14, 1965, Francisco was the son of the late Carlos Rivera and Margarita (Heredia) Acosta. He attended Lincoln High School in Brooklyn and left early to join the work force to help support his family. More than anything, Frankie loved his family and was devoted to his duties as a Papa, especially with his cherished grandchildren, Jose Rodriguez and Jasella Rodriguez. Frankie possessed a remarkable and memorable sense of humor, but he was also very frank and honest in calling out what he observed and felt. He enjoyed the relaxation of the outdoors in warm weather, when he would take walks and be in the company of his family and friends. He loved music and movies, favoring his handsome look-alike, Marc Anthony. Frankie was of the Catholic faith.

Frankie is survived by his daughter, Jasmine Rivera and her companion Jose Rodriguez, with whom he resided, and their children, Jose, and Jasella; Jasmine's mom, Olivia Serrano; his siblings, Carlos Rivera of Utica, Margarita Isis Morales of Brooklyn, Ormuzd Morales, and Felix, Jr. and Tania Morales, all of Utica. His extended family includes his many nieces, nephews, great-nieces, great-nephews, cousins, and his close friends, Daisy and Ellena.

Visitation will be held Saturday afternoon, December 13th, from 2:00-4:00 at the Eannace Funeral Home, Inc., 932 South St., corner of Hammond Ave.

Francisco's final blessing will be given on Saturday at 4:00 p.m. at the funeral

“ My name is Maria. I met Frankie through his sister Margarita. He was a remarkable individual, full of life and extremely funny. I have only good memories of him as he always made me laugh and found humor in every situation. He was a caring loving soul and only seemed to want peace in his life. I remember one time we were spending the night at one of his cousin's house. His cousin played a prank saying her ex-husband was at the door with a shot gun. I remember everyone's face expression in the kitchen and we all looked at each other like "What do we do now", most of us ran to hide around the house because we were terrified and me and his late partner Robert ran into the bathroom to try and squeeze through a window to get out the house. Frankie stood in the kitchen with his sister Margarita as we all ran to hide. He was determined to go through what ever but he didn't leave his sister's side and neither did she. It turned out to be a prank, but it showed were his heart was. I remember that night like it was yesterday and how much fun we all had reminiscing on it and laughing all night. I know you once told me when you were stressed out that you only wanted to be at peace. I didn't know exactly what you meant by that but I hope you've found that peace you have so long yearned for because you were one of a kind. May your soul be at peace now Frankie. I pray that your family finds the strength through god to deal with such trying times. Rest in peace Frankie, you will always be loved.
