“ *My heart is hurting so bad right now. Not only was Mom my son Jeremiah's grandmother, Geri was like another mother to me. She was by my side when I was going through one of the hardest times in my life. She was there holding my hand when I gave birth to my son. For Mom I will be forever grateful. I love you Mom more than you will ever know. You will be with me and in my heart forever! RIP SWEET ANGEL!*

“ Jerry, May you always walk in sunshine and God’s love around you flow, for the happiness you gave us, no one will ever know. It broke our hearts to lose you, but you did not go alone, a part of us went with you, the day God called you home. A million times we needed you, a million times we’ve cried.
If love could only have saved you, you never would have died. The Lord be with you and
may you rest in peace.

“ You had such a wonderful laugh, it lit up the room. I recall all those years ago my brother describing you. He said your eyes mesmerized him and indeed they were beautiful. Warm hearted and sensitive. Do you know I was the first person to babysit your new born when you got out of hospital? RIP. I will miss you.
