

Mr. Glade E. Cook Jr.

June 10, 1959 - May 13, 2022

MARCY- On Friday, May 13th 2022, Mr. Glade E. Cook Jr. passed away in the comfort of his own home with his wife by his bedside after a courageous 11 year battle with ALS. Glade was born to Glade E., Sr. and Angela (DePhillips) Cook on June 10th, 1959 in Utica. He was a graduate of New Hartford Central High School, and then went on to receive his Bachelor's Degree of Psychology from Franklin Pierce College in New Hampshire. Glade pursued his Master's Degree of Psychology at Adams State University in Colorado, and his Certificate of Advanced Study from SUNY Oneonta.

Glade was predeceased by his parents Glade, Sr. and Angela Cook. He is survived by his caring wife, Jean (White) Cook; beloved daughter, Kayla Cook and future daughter-in-law Brittany Pietruszka of Massachusetts. He leaves behind many loving family members, Scott (Gina) Cook of Texas, Brett (Kerri) Cook of Marcy, Craig (Melissa) Cook of North Carolina, and Candace Cook of Marcy, in addition to many loving nieces, nephews, great-nieces, great-nephews, cousins, and in-laws. Glade was cared for by many home health aides and really appreciated their patience, love, and devotion they had for him.

Glade always wanted to help people and found many ways to put that into action. After graduating with his Master's Degree, he started his professional career at Catholic Charities as a Resident Counselor. He continued his journey as a School Guidance Counselor at Holland Patent School, but spent the majority of his career as the Guidance Counselor at Frankfort Schuyler

School. He was dedicated to his students and made lifelong friends with many of those in the Frankfort community.

In addition to being a beloved Guidance Counselor, Glade was a very involved community member serving the Whitesboro School Board for 6 years. He was the president of the Family Nurturing Center and helped his daughter to establish a charity in her name designed to help young mothers and their children. Skiing, golfing, and playing tennis were among the many activities Glade enjoyed prior to his diagnosis. Traveling was also very important to him, and even well into his struggle he was still making trips to Florida, Iowa, Kentucky and many other destinations. He was an avid sports fan and enjoyed watching the NY Yankees and NY Giants play any opportunity he could. He was a great husband, friend, dance dad, and role model and will be greatly missed.

Visitation will be held on Thursday, May 19th from 4-7 p.m. at Eannace Funeral Home, Inc., 932 South St., corner of Hammond Ave. Relatives and friends are respectfully invited to attend his Mass of Christian Burial and Celebration of Life which will commence at St. John the Evangelist Church, 66 Oxford Rd. in New Hartford on Friday, May 20th at 1:00 p.m. In lieu of flowers, please consider a donation to the ALS of Utica online at <https://alsutica.org/donate-2/>; envelopes will also be available at the funeral home. “ Our deepest sympathies are extended to Glade's family and friends, his presence will be sadly missed by all. Glade was a parent's best ally in guiding our children's decisions regarding their studies and future endeavors. He always found a way to facilitate a child's movement towards achieving their academic and personal goals and was always available to help with a hearty dose of humor and good will. He was devoted to his loving family and is deserving of his place in heaven. God bless you and yours....Ilse R. Dubiel and family

“ Glade was not only my student but helpful when he was working at Holland Patent and I was there to give a speech to the student body. His obituary shows how wonderful a man he was and these tributes show how many lives he touched and influenced. I'm proud of him and know what a beautiful soul he is.

“ Glade was extremely helpful and guided me in the right direction when it came to my path after high school. He had an easy-going demeanor and made so many people feel comfortable as a guidance counselor. Whether it was a question about a schedule or a discussion about future plans, he was always someone you could trust. May you rest in eternal peace Glade.

“ Oh the many many memories I have of my dear, sweet Glade! When I first met Glade in Alamosa back in 1979 our friendship started the day we met and continued until his death. The day Anthony and I lived together, along with Glade, living next door to Dr. Motz, the psychology professor at Adams State the guys had. I knew I wasn't sleeping with either one but looking back I thought, “Oh my gosh, here I'm living with two good looking men, Glade and now my husband, and Dr Motz must have thought I was something else!”. I am so glad we flew to NY from CO for the benefit Jean did for Glade to earn enough money to purchase a generator. Seeing Glade's eyes twinkle and tear up when he saw us walk into the house will forever be etched in my heart! It was priceless! Glade has paved a way into Heaven for all of us and we shall all meet again, when we die. The Lord called Glade home and now he is without pain or suffering. Because he believed in our Lord Jesus Christ!

With all my love,
