“ *Condolences to Joan and the Fraccola family*

There are so many words I can think of to describe the way I'll remember him. And from the time I first worked with him in a uniform squad to working for him as a plain clothes investigator and right up to today those words never changed. They are professional, fair, honest, tough, compassionate, an asset to the community and the department, a great boss and a friend. He will be missed. Rest in peace my friend.

“ *Joan and Fraccola Family,*
I met Guy in September of 1967 as a new member of the Utica Police Department and a Veteran. Guy was great partner and mentor driving car 66 in East Utica. Through the years he made great stides and became a Deputy Chief and was always held the members of the Department in high esteem. He was a leader and could be counted on to be with his personal in time of need weather it be a personal family matter or police matter.

A good book could be written of this man who gave his all to the city of Utica citizens, working with officers of Utica P.D. the FBI, The New York State Troopers Task Force and Oneida County Special Task Force.

He was away from his family on many occasions and holiday as many of us in law enforcement were and worked long hours.

It was my privilege and honor to have worked with Guy for over 25 years, I and many more will miss this man of Honor, Compassion, and a Man Of Loyalty and a Cops, Copy. RIP my friend it was an Honor to know You.

Respectfully,

“ My deepest condolences to all who loved Guy, and there were so many of us lucky to be his friend. He and Joan knew my parents for many years before I knew them. I became friends with his daughter Debbie when we worked together. Then in meeting her dad, was blessed with knowing the wonderful friendship, humor, and wisdom that Guy gave so freely. He was a storehouse of knowledge. I can see him sitting in my kitchen whenever he would take care of the alarm system in my home. He and Guy Jr. would fix the problem, but oh the wonderful conversations. We shared memories of the past, and hopes for the future of our families. My dad died young, 50 years old, and Guy would sometimes share a story about "the old days". I valued his advice, and loved every time we met.

I will miss you, my good kind friend. Your kind gestures touched so very many.

My dearest friend Debbie and his dedicated loving wife, Joan, Guy Jr., Patruick and to the entire family ...my prayers, my deepest condolences, and my love go out to you. You've lost a wonderful man who truly made a difference in our world. God bless and keep him close.
