“ To Jackie and the entire family: Much of what I have read just goes to show that Helen was truly a one-of-a-kind woman who truly brought joy to all who had the pleasure of knowing her. Will always remember her smile and welcoming us whenever we came to visit.

We were blessed to have have her as an extended member of our family as my sister wrote in the happiest and saddest of times.

May all of you find comfort in the memories you shared with Helen...I can only imagine the reunion that is taking place.

Just a snippet of all the memories I have of sweet, beautiful, good natured Helen. Her home was always a welcoming place. A loyal and faithful friend to my mother, Arline, and my aunt, Beverly. She was a constant at the saddest and happiest times in my life. God bless you Jackie. Rest in peace dear Helen.

“ *Dear Jackie, You know I always considered your mom as my third aunt. | Having known her my entire life, I will never forget her beautiful smile and heart. Whenever I came back to Utica for a visit, I always tried to stop to visit "Aunt Helen" and she always went way out of her way to make me welcome in your home. I know it's a cliché but it is sincere, Heaven truly does have another angel. She will be missed by all who knew her. Love, Cynthia St.Onge Kouznetsov*

“ Aunt Helen was very special to me and my family. We spent many Thanksgivings with her and Jackie at their house. She always had a compliment and a smile for all of us and was so very generous. I remember seeing her and Uncle Jack sitting on the couch at Grandma’s house when they were dating and hoping they would get married. Their wedding was one I will never forget. We will all miss her and remember her with love .
