Tribute Wall

RB

“ *Helen, your soul emanated from earth
Hath passed away;
for in the peopled forest of their mind
a tree made leafless by wintry wind
you shall never don again its green array.*

*By only chapels and firesides, country road drives,
Have something of their friendliness resigned;
Another, if I would, I could not find,
And I am grown much older in the days.*

*But yet I treasure in my memory
your gift of charity, and trouble hearts ease,
and the dear honor of your amity;
for these once mine, my life is rich with these.
And I scarce know which part may greater be,--
What I keep of you,*

*Though time may pass I find myself
Trapped within the past
Left behind in what once was
and all we had amassed.*

“ Aunt Helen I will always remember you as the one who always took care of me and loved me all the time. I will never forget the dinners we had at your house every Thursday night. You always were there for my brother and I to look out after us. I will also always remember the good times we had together like when you would always take us to go get ice cream and go to dinner with my family at The Phoenician on Wednesdays. Thanks for all the time you helped me and my brother. I will truly miss you and your funny sayings.

Rest In Peace

Your Nephew,

Michael Bates

“ The last of the Koury sister trio. Following your sisters Rose and my mother Ruth and your 5 brothers. I'll always remember our Sunday phone calls. Our dinners at your house on Thursdays and our Saturday nights out to a restaurant when I was in Utica; always sending me back to New York with Fried Kibbee and Fresh Lebanese bread. Thank you for all that you did for me during your life.

May you rest in peace, Aunt Helen.

Your nephew, Bobby

“ Aunt Helen, from the time I was born you always were the one that watched me and took care of me when my parents were out. I will never forget all the great times we had or the dinners we had every Thursday night. My best memory was when you let me take the car out for a spin in the driveway. That was almost a disaster. Thank you so much for the love you had for me and my family. I will miss you.

Your great nephew,

Richard

“ Aunt Helen was an integral part of my childhood, someone we saw almost every day when we were growing up. Over the years she so enjoyed making pretty ceramic items for us, and she was always so generous remembering us, then our children, on special days. I'll never forget how she drove a station wagon full of us kids to watch our friends on the baseball team play in Watervliet---all of us singing and laughing and probably making her half deaf! She was the "baby" of the family and the last of the family to leave us... She will be missed.
