“ My heart is shattered, and these last few days have been an absolute nightmare. We are all lost, confused, and heartbroken. In the blink of an eye, we’ve lost one of the last elders of our family—the life of the party, always armed with a quick joke and a warm smile that could light up any room.

My fellow flower and plant lover—our shared passion for blooms and greenery will forever remind me of you. The world feels a little dimmer without you here.

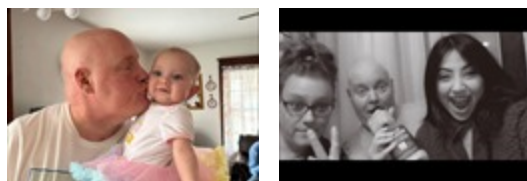

You will be deeply missed, always cherished, and forever loved.
