“ I was so sorry to hear of Joan's passing. She resided in the Chancellor Apts. where my mom also lived. They had been friends and I remember bringing a Kentucky fried chicken dinner to a group of the folks there. Joanie was the "social director" for the event and my mom had a great time with her friends. They both ended up in St Lukes NH at the same time also and I always meant to visit her but never did. My mom passed away in January and now Joanie--hope they are enjoying chats on the benches once again.##imported-begin##Lois A Pirro##imported-end##

“ It has been so many years since I saw Joan, but I always remember what a lovely and pretty gal she was. Our families are starting to diminish as the years go by, but we had many wonderful family get togethers in our early years.
God Bless and may you rest in peace.

“ I knew Jonie years ago through a mutal friend,John Gigliotti. I ran into her years later at Chancellor Apts.,where my Aunt Franny lived.
