“ its already been 2 weeks Kaiser "bunz" and I still can't believe you're gone. I will always treasure my memories of you and all your one-liners. You always knew the right thing to say to make people smile, had one of the kindest hearts of anyone I knew, and had a great sense of humor. You were a joy to work with and it made my day to see you smile. You know you live in my heart forever. I will never forget you. Love, Sarah aka turkey head :)

“ Joanne, you will be missed dearly. I always looked forward to having you call me Brat and sticking your tongue out at me every time we saw each other. It always made me laugh. I will miss your smile and I will miss your friendship. The hard part of your journey is now over. Walk , run, sing, and dance for now you are free.
