“ *Phyllis,*
I would like to take this time and thank you for allowing me to take care of your Uncle John. It was an honor and privilege to help him whenever he needed it. My nickname for John was "Rosie". Rosie always kind and gentle words to say. He knew when something was bothering me and always had the solution to cheer me up. He was like a Grandfather to me. I would love to hear him talk about Anna the love of his life. Oh how he loved her. I know that he is with her again. I will forever hold your memory in my heart. I'll miss you Mr. Percola.##imported-begin##Rachel Wilson##imported-end##
