

John A DeCarlo, Jr.

December 24, 1946 - December 26, 2007

Mr. John A. DeCarlo, Jr., age 61, of New Hartford, passed away on Wednesday, December 26, 2007 at the Faxton-St. Luke's Healthcare Center with his loving family by his side.

Born in Utica on December 24, 1946, John was the son of the late John and Vincenzia (Altieri) DeCarlo. Raised and educated locally, he attended T. R. Proctor High School. He served his country with the U.S. Army from 1962-1966. In February of 1971 he married the former Paulette Peters, with whom he shared a union of family values focused on raising the children.

During his working career John held various positions, including Utica Cutlery Co., and the Pyramid Corporation from which he retired. Among his attributes, he was humorous and charitable, and he always lent a hand to anyone in need. Sociable and friendly, John was affectionately known to his friends as 'Johnny Button Shoes', the 'Mayor of Utica', and in his later years, 'Danny DeVito'. He measured his success in life by his family and personal relationships.

John is survived by Paulette; his children and their families, Tom DeCarlo of Utica, David and Kathleen DeCarlo of PA, John, III and Dawn DeCarlo of Utica, Michael DeCarlo of MD, Lance and Saharah DeCarlo, and Chastity DeCarlo, all of Utica; and his 16 grandchildren. Also surviving are his sister and brother-in-law, Angela and Frank Capirci of Utica; his uncle, Sam Altieri of FL; many nieces, nephews, several cousins, and his longtime friends, Roger Cardone and Peter Cardone.

In keeping with the family's wishes, there will be no public visitation. Family and friends are respectfully invited to attend John's Mass of Christian Burial which will be celebrated Monday morning (tomorrow) at 11:30 a.m. at St. Mary of Mt. Carmel/Blessed Sacrament Parish. The family will receive visitors at the conclusion of the service. Inurnment will take place at the convenience of the family.

Arrangements have been entrusted to the Eannace Funeral Home, Inc. 932 South St., corner of Hammond Ave. The entire DeCarlo family would like to thank all the many people in John's life that made it wonderful.

“ Grandpa...I haven't wrote on here to you in about 8 years. I was 11 then. I'm 19 now... lots has changed. I wish I could tell you all about it. Life doesn't always pan out the way you imagined it. Nothing really means much to me anymore except music. Musics never let me down, musics never told me I couldn't do something...And I'm working everyday to make sure my dreams become reality. It's a cliché... everyone says that. But you trust me on this one. I'm also striving to be a better man each and every day. At this point, I'm the only man that I got. Watch over me please. I love you.

“ it's been a rough day today. Nights are longer when I sit and think about the time that was lost. Ya know, I was watching a movie today, and a Father told his son that he (the son) can't be what the son needs to be if the Father is still around. The father then said to his son "I need to hear you say its OK for me to leave". Dad you will always be in my heart and in my thoughts. Its OK for you to go now.

The fact you didn't listen to me when I said you didn't eat right, or do other things that was bad for you. I miss you dad, you needed more time here just to see what we have become and maybe see your grandchildren grow a little more.

Me (Giovanni Decarlo) and Jeremy (Middle Child) and Karlieigh (Pronounced Carly)... Ya Dad is good.... Mom is good.... But we moved out of the old house if you did not know... We moved a while ago like a 2 years ago... So i wanted to keep you updated with that. We moved for a lot of reasons.. 1: The Neighbor hood was crappy (but i still missed getting holard at by going in the road and going up in the attic.) 2: Because some people annoy us.....The ones we let live upstairs..... Not Uncle Lance though... Uncle Lance is perfect but his girl friend annoyed us.. Sahara Vanvalka.....Never mind its not worth trying to spell the last name..... But i also miss Nonny and Poppy. “ Hey Grandpa. Its me Giovanni. I just wanted to say "Hi". My day went good. Did yours? Well today i had school. School was fun. Lots of tests though. I have a lot of friends, probably over 100! Well today was cool. Dad is just sitting on his computer playing on his guitar. He made the good ol Italian pasta for dinner today. So now i am on the computer. If you ever want to stop over by my house just come on. Also at school there is this girl that likes me. Uhhh she is not that good looking grandpa. Well i will talk to you later. LOVE YOU!!! “ Happy Birthday Dad.

Things arent going as well as expected in my heart but I am sure you know that. Our Family is a bit torn up but we are all men and bound by the paths we take and the decisions we make in life; under our roofs we have our own loved ones to take care of. The kids sang happy birthday to ya today (I didnt even know until this evening). Sorry I wasnt there for you towards the end, I have to live with that. Everyone is fine, Bills are paid and the kids are happy.

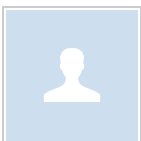

Love Ya John##imported-begin##John III##imported-end##

“ Lance, John & Tom -- it's been a long long time since I've talked to any of you guys, but I just wanted to let you know I'm sorry for your loss. It's always difficult to lose a parent, but more so when it happens around Christmas.

I hope you are able to remember the good qualities he gave you & carry those forward in your lives, and to forgive any shortcomings he may have had, & leave them behind,

God bless you and your family.##imported-begin##Mike Jordan##imported-end##
