

Mr. Joseph F. "Joe" Arcuri

May 6, 2012

Mr. Joseph F. "Joe" Arcuri, age 30, of Marcy, passed away on Sunday, May 6, 2012 at the Roswell Park Cancer Institute in Buffalo with his loving family by his side, after a long and courageous battle with Leukemia.

Joseph was born in Liverpool, NY on March 7, 1982, the son of Joseph F. and Regina (Restive) Arcuri. He was a graduate of Liverpool High School and continued his academic studies at MVCC where he received an Associates degree in Mechanical Technology. He went on to graduate from SUNY Institute of Technology/Class of 2004 where he earned a Bachelor of Science degree in Mechanical Engineering. On September 6, 2008 he married the former Noelle G. Buczek; the couple shared a very supportive and loving union.

During his college years Joe worked at the Fountainhead Group where he helped design industrial sprayers. He then held employment with Carolina Motion Controls, NC, and Cutting Edge Custom Components in Syracuse where he worked under master machinist John Hodges. He worked as a design engineer at Magna Powertrain, Inc. in East Syracuse. He was passionate about cars and motorcycles designing vehicle concepts, custom parts and wheels, which led him to his last position of owner/operator of Arcuri Design. With a high mechanical aptitude, Joe was able to design and generate his own parts from someone's ideas. He had a special interest in hot rods and wheels. But more than anything, Joe loved his entire family and all his friends, and he loved to be together with them. He cherished his wife and

his beautiful son, Joey, who were the loves of his life. He enjoyed the time spent with Joey on their father-son outings, and times spent with family at their summer house at Sylvan Beach. He looked forward to his yearly pursuit of harvesting maple syrup with his best friend, Michael Scalise. He also enjoyed gardening and landscaping, and as a young man he pursued the sport of hunting. As an antiques aficionado, he collected and restored his treasures to their former beauty. He was an enthusiastic supporter of Syracuse Orange Basketball, a member of the Oneida County Historical Society, and a parishioner of St. Anthony & St. Agnes Church.

Joe is survived by his devoted wife, Noelle; his son, Joseph "Joey" Arcuri V who he adored; and his parents, Joseph F. III and Regina Arcuri of Liverpool. Also left to mourn his untimely passing are his brother, Brandon V. Arcuri of Liverpool; his grandmother, Rosaria (Spano) Restive of Utica; his mother-in-law, Denise Buczek of Utica; his aunts and uncles including Frank and Wanda Arcuri, Richard and Renee Arcuri, Mario and Linda Restive with whom he shared a special closeness, Vincent and Joan Restive; his sister-in-law and brother-in-law, Melissa and Sergio Vallejo and their children Sergio, Antonio, and Santino, his godson; his wife Noelle's aunts and uncles; and cousins. Joe was also blessed with true friends, Mike and Tracy Scalise who have been with Joe and Noelle throughout the years offering their love and support. A special thanks to Tara Redmond who was also available in Joe's final days to assist the family.

The family extends sincere thanks to Dave and Jill Tucci, Ralph and Dale Stoppiello, Mike and Tracy Scalise, Larisa Black, Grant and Lisa Roser, Debbie and Bill Loomis, Armando and Lisa Yacco, and Tara Redmond; and the many other family and friends who contributed to the Benefit Event in Joe's honor.

Visitation will be held Friday from 3:00-7:00 at the Eannace Funeral Home, Inc. 932 South St., corner of Hammond Ave. Joe's funeral service and Celebration of Life will commence on Saturday morning at 10:30 from the funeral home and at 11:30 at St. Anthony and St. Agnes Church where his

Mass of Christian Burial will be offered by Rev. Anthony P. LaFache. Interment will take place in Calvary Cemetery at the convenience of the family.

Dear Regina and family,

I am so sorry I didn't know of Joey's passing. It was such a shock to read it in the paper just a few minutes ago. I don't even know what to say. Last we talked, Joey was doing good...or at least better. I feel your heart breaking. He was such a nice kid and always had a smile on his face. I pray that the Lord will give you all the strength you will need in the many phases you will be going through. PLEASE lean on Him. He will be there for you when everyone else is gone. I am so so sorry for your tremendous loss. If you ever need to talk, please don't hesitate to call. In the meantime, I will be calling you soon. Love, Cheryl Bilbo

“ *From his friend Oliver*

I have had so many great memories growing up with Joe. That it is impossible to pick a favorite. There was this one time Mr. Arcuri told Joe and I not to go to NorthStar pond because we would always ruin our shoes and clothes with mud, and we would always bring “creatures’ back. Well Joe and I thought we could get away with it so we snuck there anyways. We were obviously not smarter than Mr. Arcuri because we got caught. Mr. Arcuri had his words with us as he sent us both to Joe’s room. I managed to get grounded by Joe’s dad at Joe’s house!! We would spend countless hours shooting our bows and bee bee guns in the woods. We would clear off the pool table in the basement and play pool just to see the loser eat a whole jar of jalpeneo peppers. And how can I forget telling him how much I loved his Dad’s garage because he had the best bikini pictures hanging up in there. There are so many great memories I have of Joe. THose are a few I’m sure he would mind me sharing with you, a few are between him and me. I love him like a brother and he will always be a part of my life.

“ *From Joey’s Great Aunt Jackie*

On May 7, 1994 my girls and I lost my husband Bill. My two older daughters were married and living in Maryland and Pennsylvania. Then Valerie moved to North Carolina. Grandma Jennie became ill and I decided to move to Utica to care for her.

I was there for 6 years before Grandma passed. My sisters and brother Joe were there for me while I took care of her. But the visits from my 2 great nephews Joey Arcuri and Joey Spano were the bright lights in my life. They visited me often and made me laugh. They told me about school, the cutest girls they met and the hottest cars on the road. When my brother Joe gave me a going-away party, all the great nephews sat together. Joey Arcuri said they all talked it over and told me they wanted me to stay in Utica.

To all my nieces and nephews, the Arcuri’s, Spanos, Restive’s and Carones and all their children, thanks for all the love and support you gave me while I lived in Utica for those years.

“ *From Joey’s Second Cousins Jackie Ann, Laurie and Valerie*

As second cousins we entertained Joey on vacation, during holidays, and all summer at Sylvan Beach. We remember coloring Easter eggs and Midway trips. Jackie Ann entertained him in the parking lot with looking at rocks while his parents ate long dinners at the restaurant. We are proud of the man he became, and we knew he would be an amazing father because he was always wonderful with our kids.

“ *From Joey’s Cousins Lareina, Larisa and Mario Restive*
“A cousin is a little bit of childhood that can never be lost” -Marion C. Garretty

Joey was more like a sibling to us than a cousin. We shared so many memories together, we played hide and seek, constructed dinosaurs in the sand, explored the Frankfort gorge, and even had special ops missions all around the valley - he spent many summer weekends at our house. He was a welcomed permanent fixture and eventually even moved in - once a room freed up and he was attending MVCC. He had a diverse number of interests from hot rods and engineering, to maple syrup making, to restoring furniture and participating in the local historical society. He always knew someone, and could hook you up because he made friends with everyone he met. Joey usually had the inside scoop and this knowledge paired with his sweet mischievous nature made for a good story whenever he was around. Joey was good to his friends and family, and his actions and the way he lived his life reflected these priorities. We are proud of the man he became and the remarkable courage he had throughout his battle. We will forever miss that sparkle in his eye and his handsome smirk whenever we were having a good laugh together. There aren’t words for the depth of loss that we feel, however we are grateful for all cherished memories we will carry forever in our hearts.

“ *From his brother Brandon*

This is definitely the hardest thing my family and I will probably ever have to go through. Joey was my role model in life. He always knew when there was a job to be done, there was no sleeping on it you just have to figure out the problem and fix it. The memories my brother and I have created through the years are scarred in my thoughts forever. I know he is gone now and I would give anything to get him back, but the way God plays this game of life nobody will ever understand. I love my brother with all my heart, and for him to face this demon three times before it finally defeated him, he truly is the strongest person I have ever known. I stayed strong for him as he did for me, and I will continue to stay strong and watch over everybody as he is for us. Joey has left us with a piece of him though, my nephew Joey , it's going to be hard for him to grow up realizing later on that his dada was in a fight for his life through the years that he has been there for him. His uncle Brandon will always be here for him and his mama Noelle no matter what troubles we face later on... Life will continue one step at a time for us, and I will never forget the man I've always looked up to, to follow in his footsteps and become as successful and loving as he was. My blessing, my blood, my brother. I love you Joey, forever and always.

“ Joe, so sorry to hear of the passing of Joey. I remember hearing about him when he was in college, then getting his first job, then of course all the wedding plans, then little Joey came along. I feel like I knew him. You know I have been there. All I can say is with time it will get easier, you will think of him everyday with all the happy memories you shared with him.

“ DEATH IS NOTHING AT ALL

I have only slipped away into the next room. I am I, and you are you, whatever we were to each other, that we are still. Call me by the old familiar name. Speak of me in the easy way which you always used. Put no difference into your tone. Wear no force air of solemnity or sorrow. Laugh as we always laughed at the little jokes that we enjoyed together. Play, smile, think of me, pray for me. Let my name be ever the household word that it always was. Let it be spoken without an effort, without the ghost of a shadow upon it. Life means all that it ever meant. It is the same as it ever was. There is absolute and unbroken continuity. What is this death but a negligible accident? Why should I be out of mind because I am out of sight? I am but waiting for you, for an interval, somewhere very near, just round the corner. All is well.

To Noelle and all of Joe's family and friends: May God Bless and be with all of you during this most difficult time, now and in the days ahead. My thoughts and prayers are with you all.
