“ I can think of so many wonderful memories of Joey as far back as I can remember. He was so important to my family growing up. He was my father's best friend, my brother's godfather and was always there for us a . I was an honor and a privilege to have known him and he will be deeply missed. Heaven is a better place now that he is there.

“ Joey DiAndrea and the whole DiAndrea family was such a part of my growing up. You were all such lovely people, but Joey stands out to me the most. He was always smiling and so fun to be around. He always made my mom and dad and me and my sisters laugh at his funny stories and the way he would tell them. I remember how proud he was when he bought his BMW .. he couldn't wait to show it off to us. How sad to hear of his passing. He was really a joy to be around. Thinking of you all and hoping you remember the Inserra family from Frankfort Center.

“ Joey was my godson as well as my cousin. He was always respectful and took the responsibility of his home and family upper most in his life. He was a hard worker with a soft spoken and peaceful personality. He will be missed by all those who knew him.
