June 10, 1947 - June 29, 2008

Mr. Joseph Francis LeViness, age 61, of Albany, NY, passed away on Sunday, June 29 at St. Peter's Hospital after a courageous battle with cancer.

Born in Seaford, NY on June 10, 1947, Joseph was the son of the late Joseph and Theresa (Wagner) Leviness. He was a graduate of Seaford High School, M.V.C.C., SUNY Utica-Rome where he earned a Bachelor of Arts degree in Psychology and Sociology, and the State University of New York at Oswego, Master of Arts in Education. A proud veteran, he served his country in the U.S. Air Force. At one time, he was married to the former Catherine Hendricksen.

Joseph was employed by the State of New York for 27 years, retiring in July 2007. He lastly served as Coordinator of Disaster Mental Health Services at the Office of Mental Health in Albany. Among his areas of expertise, he provided counseling and worked closely with FEMA, the Federal Emergency Management Agency. Joseph had a welcoming manner and was selfless by nature. Through his work and commitment to helping others, he touched so many lives. He assisted with the 9/11 and TWA Flight 800 disasters and was actively involved with the AIDS Foundation. A caring, compassionate man, blessed with strength of mind and body, he was determined in fighting his disease. He was a loving father and a best friend to his children and was fond of spending time with his grandchildren. For recreation, he enjoyed bowling, darts, and dancing. He was of the Catholic faith and at one time was a local parishioner of St. Agnes Church.

Joseph is survived by his children and their families, Jo'ell Leviness of Patchaque, NY, Beth Leviness and companion Russell Tantillo of NY Mills, and Lauren Leviness Burrell and husband Ananda Burrell of Syracuse, and their mother, Catherine Leviness; his grandchildren, Edgardo "Eddie" Colon of NY Mills, and Alexius "Lexi" Perkins of Syracuse. He is also survived by 3 sisters, Alice, Mary, and Kathleen; and 1 brother, John, and their families; his nieces, nephews, great-nieces, great-nephews, cousins, and many in-laws who he kept near and dear to his heart. He was favored with many friends, especially Mark Galbraith, Michael Brannan, and David Fortuin.

The family is grateful to the staff of the N.Y. Oncology Hematology Professionals for their care and concern.

Visitation will be held Wednesday (today) from 5:00-8:00 at the Eannace Funeral Home, Inc., 932 South St., corner of Hammond Ave. For those wishing to do so, please consider memorial donations in Joseph's honor to the American Cancer Society; envelopes will be available at the funeral home. Joseph's funeral service will commence on Thursday morning at 8:30 from the funeral home and at 9:30 at the Church of Our Lady of Lourdes where his Mass of Christian Burial will be celebrated. “ Well it is officially one year today that god took you from me. I can't believe it has been that long I know that you are out of pain and at peace and with knowing that it gives me peace. I don't think I could have beared to watch you suffer the way you did for one more day. I know you are still with me every day and still by my side guiding me and watching over me and us girls, as well as eddie and lexi who miss you dearly. I miss our late night talks and your drunken humor lol. God doesn't know how lucky he is for getting such a wonderful man who touched so many lives and is missed terribly by his friends and family. It is on these days of signifigance that make it that much harder to deal but I push through. Only because as you would say life goes on death is a part of life we all die, blah blah blah I always hated you when you said but you were the realist. Anyways I could carry on for hours (wonder where I got that from) I love you today and always until we meet again Love your daughter

“ I offer my deepest sympathy to Joe's family. He was a true friend and will be greatly missed by those of us who had the pleasure of knowing him.

*I worked with Joe for 10 years in the Office of Mental Health. He was for many of us the comic relief during many unsettled times. After I retired, I did not see Joe as much as I would have liked, but when we did get together it was as though no time had passed.*

*When I spoke to him after his diagnosis, he was still the same old Joe, making me laugh with his outrageous humor. He was so brave and a true inspiration.*

*I shall miss my friend.*
