

## Josephine "Cale" Colon

November 17, 1952 - May 25, 2011

Josephine "Cale" Colon, age 58, of Utica, passed away on Wednesday, May 25, 2011 in the comfort of her daughter Anira's home, surrounded by her loving family.

Josephine was born in Patillas, Puerto Rico on November 17, 1952, the daughter of Felicita "Juana" Gonzalez and the late Jose "Pepin" Colon. She was raised in Puerto Rico. At the age of 7 she relocated to Pennsylvania, and in 1972 moved to Utica.

Cale was employed by Abelow's Linen Supply, and for several years she worked as a seamstress at Lynch & Kelly, Inc. Cale was blessed with an uplifting, positive personality and her goal was to make people laugh and bring happiness to others. Her family always came first, and she maintained a balance in her life between home and at work, an example to her family of her loyalty in providing for them, and how much she loved them. She was creative, resourceful, and stylish in decorating her home. She found much pleasure in gardening and collecting figurines of dogs. She also held a great affection for animals and all God's creations. She was a parishioner of Historic Old St. John's Church.

Cale is survived by her daughters and sons-in-law, Yanira Trevino and Michael Vazques, Anira and Jose Rodriguez, Yanisa and Ricardo Colon; her son, Jose "Davy" Rivera and Andrina Martinez; her 13 grandchildren; her mother, Felicita "Juana" Gonzalez; her sisters, Dora Goico, and Iris Santiago; her brothers and sisters-in-law, David Colon, Jose, Jr. and Ana Colon, and

Kathleen “Kathy” Colon, all of Utica; many nieces, nephews, great-nieces, great-nephews, and cousins. She was predeceased by her father, Jose “Pepin” Colon; and her brothers, Jose J. “Chi-qua” Colon, and William “Billy” Colon.

Cale’s children offer a sincere thank-you to their aunt, Iris Santiago, for all the care and support she rendered during this difficult time.

Visitation will be held Friday from 3:30-5:00 at the Eannace Funeral Home, Inc., 932 South St., corner of Hammond Ave. Josephine’s funeral service and Celebration of Life will commence on Saturday morning at 9:30 at Historic Old St. John’s Church where her Mass of Christian Burial will be offered by Rev. Luis Olguin. Interment will take place in Calvary Cemetery at the convenience of the family.

“ Hey suegra I know its been awhile since Ive spoken to you on here but I speak to you all the time..I thought with time it would get easier but the pain is still raw and very real it feels like just yesterday we were all hanging out and joking I find myself looking at your pictures in disbelief I cant believe you're gone! How I wish God would just give us the joy of having you back but I know thats impossible. We always didnt see eye to eye but one thing that was undeniable was that we loved each other. Your grandkids are so big I wish you could see them and hold them. It hurts me to know my daughter really missed out on knowing her funny crazy abuelita and eliel remebers you and talks about you alot he's never guna forget his bunny! I hope and pray to see you again..I know youre in good company up there I love you with every bone in my body and I miss you dearly

“ Mom,  
The day you died I kissed your face four times  
After you died I held you close to me  
I knew it would be the last time I held you for  
the rest of my life  
You were so sick, in so much pain  
That is no life  
I know you were afraid to die  
I hope you have found comfort  
Do you remember how I held your hand and lay my head on your  
shoulder  
Even at that moment I couldn't imagine life without you  
People talk about broken hearts in songs or movies  
Until that moment I had never known a true broken heart  
Over and over I thought "How can I live without you?"  
I watched you live, I watch you die  
Every day I look up at the sky  
I know you're waiting for me  
I miss you

“*Madrecita mía tan dulce  
Madrecita mía tan bella  
Quisiera yo tenerte cerca  
Quisiera yo verte en esa estrella  
Aunque lejos estas, no me canso de mirar  
El cielo azul allí donde tu estas,  
Eres las mas hermosa allí vestida de blanco  
Estoy yo aquí mirando tu encanto.  
Madre te recuerdo como si fuera ayer  
Con tus cabellos largos, tu piel tan blanca  
Y tus ojos como perlas, brillando en tu cara  
Siempre en mi, esta tu mirada plasmada.  
Madre siento una carga pesada  
Porque no te dije cuanto te amaba  
Ya no puedo decir nada, que pena  
No haberlo dicho con palabras.  
Solo atine, a demostrarlo con hechos,  
Se que te distes cuenta de mi amor por ti  
Porque siempre tus mandatos obedecí,  
Porque no solo es decir te quiero,  
Sino también demostrarlo con hechos  
Eso es lo que mas hice a tu lado.  
Por eso hoy se que supiste cuanto te quise,  
Y cuando estuve lejos de ti  
Te lleve siempre en el corazón,  
Y a Dios le pedía en oración  
Que te cuidara y nunca te falte nada  
Porque tú eras y eres para mi lo mejor.  
Y que bueno que te cuido, pero un día,  
El te llevo y hoy estas a su lado mirando  
Desde lo alto, en esa estrella que brilla en el cielo  
Y desde aquí te digo, ¡Madre no sabes aun, cuanto te quiero!*

“ *Hey Titi,*

*I miss you so much, everyday I think of you and I think to myself what would life be if you was here. It would be more laughter and memorable times. You made my frown become a smile.*

*Every time I was home, you made my day much more relaxing with all the advice and conversations we had. You always had me laughing, you always told me to smile but now its hard to because you are missing. I look at pictures of you and the picture of you and me at my sweet 16 was wonderful. That day you told me that you was I became a young woman and you was proud of me. I MISS YOU TITI and LOVE YOU<3. But titi, i'm trying to be grown and take care of myself and my family as much as I can, Titi I'm moving to Texas and going to school and work, and at some point get my own apartment. You may be proud of me and i'm trying to become more dependent on myself. Life is getting more tough. So before I Leave to continue my life I been spending time with My INSEPARABLE Cousin Lucia a.k.a your daughter and her loving children(s) and husband that makes me feel so loved and welcomed. I told your daughter that whenever I get situated with a place and everything that she and the fam is more than welcome to come visit. So titi, this is not goodbye, its see you later cuz goodbyes are forever and i know you are watching over us. I will keep you posted on how everything goes. see you later TITI. I LOVE YOU <3*

*Words can't express how I really feel about you not being here. I can't get over the fact that you are not with us. In my heart, as well as everyone in the family you are still alive. I sit home and think to myself what you are doing, and what would you say if you was sitting with me. All them loving memories we have at all family gatherings, holidays, and just hanging out at the house will always be cherished. I may not been around alot but when I was I enjoyed every second with you. When I was down, you brought me right back up. You made me laugh, smile, and brought happiness to me. Everytime I think of you I put a smile on my face because I know that what you going to tell me. Bullet and Lucky says they miss you and love you.*

“ Titi Cale,

*I miss you sooo much and I can't get over the fact that you're gone. You are my best friend and I am so glad that I was able to spend so much time with you.*

*On a day like today you would've invited me to the store to get some Coors Light and make a fire. Then later we would've gotten bored with the fire and made our way down to Salutes and dance all night. I got to know a lot about you and we always had so much fun. Thank you for always hanging out with me and I will cherish our memories forever.*

*I remember a couple weeks before you passed telling me that I was the best nephew you ever had and that means a lot to me. I miss your laugh, voice, and great sense of humor. Te quiero mucho mi querida titi.*

*I'm sad that you're gone, but glad you're no longer suffering.*

Titi Cale--my best memory of you was when you came to my house with your mom and Davy and my daughter chose to be with you instead of Davy. The picture I have of you from that day with my daughter will always be special to me. You fought a good fight and gave it your all. Your children took such good care of you during the past few months. Your family will carry on your memory and you will be greatly missed.
