

Joseph M. "Joe" Graziano

December 30, 1934 - December 18, 2009

Mr. Joseph M. "Joe" Graziano, age 74, of Utica, passed away on Friday, December 18, 2009 at the Faxton-St. Luke's Healthcare Center with the love and support of his wife and family.

Born in Utica on December 30, 1934, Joseph was the son of the late Serafino "Scabby" and Rose (Gaeta) Graziano. Raised and educated locally, Joe was a graduate of TR Proctor High School with the class of 1952. During these years, he played the saxophone with the school band and was a contestant on the Ted Mack's original amateur competition hour. He also studied at Utica College of Syracuse University and Ithaca College. A veteran of the US Marine Corps, Joe was stationed in Hawaii and played in the Marine Corps Band. At one time, he had been married to the former Joanne Devivi, a blessing that bestowed him seven children. Joe was a vital part of his family business and later the owner and operator of Graziano's Regal Restaurant located on the corner of Jefferson Avenue and Bleecker Street for many years. He will be remembered as a masterful bartender, the mainstay of casual family dining with old world recipes, and the maker of the "greatest pizza in town". On February 27, 1973, he was wed to the former Carm Colucci. They shared in a close and loving marriage and partnership until her passing on May 23, 2000.

Joe's love of broadcasting began in the 1950's. He had a well-suited personality, an enchanting voice, and a vast knowledge of music which enhanced his successful career. He was proficient in the recollection of the

composers and singers of the music of the 40's, 50's and 60's. He also had the pleasure of meeting many of these legendary performers. Joe had been employed by numerous local broadcasting companies throughout the Mohawk Valley. The highlights of his working years included his affiliation with the Danny Fusco Show, and most recently the "Cuppa Joe Show", a daily broadcast that kept the community entertained with nostalgic music, and information of joyous events and sentimental occasions. Joe's show was one of the most listened to adult standard programs in Central New York and was also available on the internet. Whatever choice of music Joe played, he put a smile on the face of his listeners. October 26, 2003 marked the union with Shirlee (Wood) Sweet-Testa. They enjoyed a true hearted marriage that was uplifting to both of their souls. Foremost, Joe was a devoted family man. He had an amazing knack of getting to know people intimately and holding them in a special and sacred friendship. He was a great conversationalist, storyteller, man of integrity, and one who possessed a strong faith; all characteristics that made him a true and loyal friend.

Proud to have been born of Italian heritage and raised in East Utica, he composed a CD which reflected upon the wonderful memories of his youth, the relationships that he honored, and the traditions he respected; all of which came from this valuable time in his life. Throughout the years, some of his favorite passions were his love of music, the game of golf, and his enthusiasm for sports, especially his rooting for the NY Giants and Mets. In his earlier days he enjoyed hunting with his father and bowling. Numbered among Joe's special accomplishments was his ability to touch so many people's lives and the fact that he leaves a legacy of admiration and respect. His civic and social affiliations include the Sons of Italy Lodge #2054 where he held many friendships, the Comity Club, the VFW Post 502 Ilion, the Proctor Boys, and a past member of the city's Zoning Board. He practiced his faith at St. Anthony of Padua Parish, St. Agnes Church, and more recently Our Lady of Lourdes. Surviving are his wife, Shirlee; his blended family, children, Kristin Graziano of SC, Carla and Bob Brown of VA, Joseph "Joey" Graziano of Utica, John and

Roz Graziano of SC, Michael Graziano, Mark Graziano, Anthony and Lisa Graziano, all of VA, Rocco S. and Amy Graziano of Utica; Deborah and Erick Price of Deerfield, Hollie and Kevin Lansing of Whitesboro, Jay and Shelby Sweet of Chadwicks; twenty grandchildren; and six great-grandchildren. His survivors also include his sister, Theresa "Terry" and Doug Manning of Whitesboro and Venice, FL; his brother and sister-in-law, Vincent R. and Paula Graziano of Durhamville, NY; many nieces, nephews, great-nieces, great-nephews, cousins, and several aunts and uncles; his in-laws, Lena Graziano D'Ambro, Phyllis and Richard Lovecchio, and Harry and Yvette Hulett. Joe was blessed with many wonderful and faithful friends with special mention of Gino and Louise. He was preceded in death by his brother, Michael Graziano in 1962.

The family wishes to thank Dr. Joseph Booth and Dr. Anthony Delorio for their professional medical guidance; the Acacia Homecare Company especially the nurses and physical therapists; the Faxton-St. Luke's Healthcare Center especially those of the Allen Calder wing; and Rev. Joseph Salerno for his spiritual friendship; all the family who have shown support, the many friends who have offered kindness, and the community and his listeners for their concern.

Visitation will be held on Tuesday from 3-6 at the Church of Our Lady of Lourdes, 2222 Genesee Street, Utica. For those wishing to remember Joe, contributions may be made to the Memorial Sloan-Kettering Cancer Center or the Sons of Italy Scholarship Fund; envelopes will be available at the service. At the conclusion of visitation on Tuesday evening at 6:00, Joe's Mass of Christian Burial and Celebration of Life will be offered with military honors. Interment will take place in St. Agnes Cemetery at the convenience of the family. Arrangements have been entrusted to the Eannace Funeral Home, Inc., 932 South St., corner of Hammond Ave.

“ December 22, 2009

Dear Editor:

The area has lost a true legend. With the passing of Joe “Cuppa Joe” Graziano this past week, our area has truly lost one of our biggest supporters and proponents. One only had to listen to his morning radio show for a few minutes to get a sense of the deep love and affection he had for all things Utica.

As an Italian-American, I can confidently say we have also lost one of the strongest advocates and promoters of the Italian heritage and culture. Whether he was doing work for social justice as the leader of the local Commission for Social Justice, a position he ably stepped into upon the retirement of Frank Scarano, or by publishing his classy recording of Italian memories, Joe made sure throughout his entire life to highlight the accomplishments and contributions of Italians and Italian-Americans to countless legions of people.

Weekday mornings will never be the same, but the legacy Joe Graziano has left is one that will not soon be forgotten. I would venture to say he will still be fondly recalled decades from now. Maybe someone will put together a highlight collection so future generations will not miss out on one of the best “teachers” to ever grace the airwaves.

We will miss you Joe, but we will never forget. Now go entertain the heavens the way you entertained us!

Sincerely,

Lou Parrotta###imported-begin##Lou Parrotta###imported-end##

“ *The Present*

Two men, both seriously ill, occupied the same hospital room. One man was allowed to sit up in his bed for an hour each afternoon to help drain the fluid from his lungs. His bed was next to the room's only window. The other man had to spend all his time flat on his back. The men talked for hours on end. They spoke of their wives and families, their homes, their jobs, their involvement in the military service, where they had been on vacation.

Every afternoon when the man in the bed by the window could sit up, he would pass the time by describing to his roommate all the things he could see outside the window. The man in the other bed began to live for those one hour periods where his world would be broadened and enlivened by all the activity and color of the world outside. The window overlooked a park with a lovely lake. Ducks and swans played on the water while children sailed their model boats. Young lovers walked arm in arm amidst flowers of every color and a fine view of the city skyline could be seen in the distance. As the man by the window described all this in exquisite detail, the man on the other side of the room would close his eyes and imagine the picturesque scene.

One warm afternoon the man by the window described a parade passing by. Although the other man couldn't hear the band - he could see it. In his mind's eye as the gentleman by the window portrayed it with descriptive words. Days and weeks passed.

One morning, the day nurse arrived to bring water for their baths only to find the lifeless body of the man by the window, who had died peacefully in his sleep. She was saddened and called the hospital attendants to take the body away. As soon as it seemed appropriate, the other man asked if he could be moved next to the window. The nurse was happy to make the switch, and after making sure he was comfortable, she left him alone.

Slowly, painfully, he propped himself up on one elbow to take his first look at the real world outside. He strained to slowly turn to look out the window beside the bed. It faced a blank wall. The man asked the nurse what could have compelled his deceased roommate who had described such wonderful things outside this window. The nurse responded that the man was blind and could not even see the wall. She said, "Perhaps he just wanted to encourage you."

Epilogue:

There is tremendous happiness in making others happy, despite our own situations. Shared grief is half the sorrow, but happiness when shared, is doubled. If you want to feel rich, just count all the things you have that money can't buy. "Today is a gift, that's why it is called the present."

Joe gave us all that gift of happiness in abundance. His warm smile, his gentle compassion, his love of life and his Italian heritage were an inspiration to us all. He encouraged all of us by his manner of living and gave us hope that life can be truly beautiful and worth living if we just open our eyes and experience to the fullest. Our lives and this community are diminished at the loss of such a loving and generous man.

Joe, we will miss you here at the Sons of Italy and I will miss all the times we spent together working in the kitchen cooking. You were the pride of the Sons of Italy and your brothers and sisters here at the Sons will always cherish and remember you. Our hearts will never forget you for we have thousands of wonderful memories that will remain with us forever.

Words cannot express the pain and sorrow that Gloria and I feel at your passing but we rejoice because we know for certain that you are now with God, looking down on us, watching over us and praying for us. You and Shirley truly enriched our lives by your friendship and love and the void will be hard to fill.

Shirley and family, our prayers and thoughts are with you at this difficult time. May God comfort you and give you peace and may we all look to the time when we will join our beloved friend and brother in heaven to live in the presence of Christ, who is the Light and Life of all.

Phil and Gloria###importe
