“ *To Family and Friends of Kevin and the Wonderfully Spirited ACT TEAM:*

I just want to give you all condolences for the sadness you may be experiencing today as a result of losing a member you so diligently served. I am so thankful Kevin had the opportunity to have you all in his life through these last few months. He was a pretty special guy in my opinion. Many of you were not even employed here the first time I met and worked with Kevin.

Back in the early 80's he came on board at Keystone Day Treatment as a patient worker and we shared an office (with a window) and many many laughs. He would talk about all his dreams and had such grandiose ideas of what he wanted to do with his life and how he could accomplish it.

At the time he was also in cosmetology school, something we both had an interest in (since that was my first life) so I am sure I was very helpful to him, lol... I don't believe he met all his goals but that is not because he did not try. Kevin was always working toward an idea, ways to earn money or simply to be of help to someone else. He was spirited and gracious and always there to lend a helping hand.

I am writing because I could not make it to the services today and that saddens me but I wanted you all to know I was there in spirit and you are all in my thoughts and prayers. My sincerest sympathy to all of you. Sue A

“ Please accept my condolences on the loss of your dear loved one. Take comfort in knowing that our heavenly Creator will soon remove all pain, sorrow, and death forever! Yes, we have the hope of a resurrection here on paradise earth. May this hope as found in Revelation 21:3,4 and John 5:28,29 be of comfort as you gain the strength and inner peace to cope with the days ahead.
