“ *Mildred,
I'm so sorry my old friend. So much of my younger life was spent with you. Skating, talking about boys, getting into trouble-routinely"....
I remember highlighting your hair, we actually got good at it after a few tries. We grew up and grew apart but that doesn't mean I loved you any less.
I'll miss you girl. If you get a chance go see my Dad.... I'm sure he would love to chat.

I will always remember walking on the bike path with Lori and finding that cute praying mantis that we brought home to show Mom and it jumped into Mom's face. She screamed so loud and both Lori and I laughed. Love Cindy
